C. Of C. Adds 4 Members, Hears Committee Reports

Four new members were added to the Tri-Cities Chamber of Commerce at the regular monthly meeting of its board of directors Tuesday night. With President Paul Lichtenberger presiding, the board also heard a variety of committee reports and honored 14 retiring directors.

R. A. Morris, chairman of the membership committee, submitted the four local business firms which were accepted for membership in the Chamber. The firms, with their representatives, are the Neaco Steel Barrel Co., Thomas A. Stinson; the Twillman Pattern Co., Raymond J. Twillman; the Lady Mineva Candy Co., Sam J. Neumann; and Jul Fischer Distributors, represented by J. W. Fischer.

Lichtenberger paid a special tribute to the retiring directors, who were attending the final board meeting of the year. The terms and are not eligible for successive reelection.

Retiring members are Burton C. Bernard, Eugene Ellberg, E. E. Hohl, James C. Miller, John McBride, Bernard S. Louis, Jr., B. C. "Tip" O'Neill, Donald W. Partney, Randall Robertson, Arthur D. Roeman, George C. Stearns, H. H. Sternberg, Fred R. Williams and Sam L. Meyer.

G. W. Hoelscher reported for sewage and drainage committee on the current status of local sewer and drainage plans. Hoelscher, who also is chairman of the Granite City Master Sewer and Drainage Committee, said the organization has not yet decided on a complete plan submitted to the city, but said a plan will be presented as soon as possible and the C. of C. will be informed.

Special Session

Hoelscher also reported for the state legislative committee. He said Gov. Otto Kerner has called a special session of the General Assembly Oct. 9, to act on the matters of legislative redistricting and a change in the revenue article of the state constitution.

G. H. Sternberg, reporting for the Congressional action committee, said his group met Tuesday afternoon to study proposed legislation creation of a new federal Department of Housing and Urban Affairs. He said committee members believe such action would lead to unnecessary federal intervention in state and local affairs, and matters as the department would handle could be carried out more efficiently and economically at the local level.

Rep. Melvin Price has accepted an invitation to meet with the committee sometime after Congress adjourns, Sternberg reported. He said the Congressman was asked to meet with them to review the record of the current session of Congress and present

legislative trends in an informal question and answer session.

Annual Plans

Agriculture committee chairman Howard W. Kaseberg told board members plans for 1961 are complete for the 16th annual business-industry-agriculture dinner, Oct. 5 at St. John's University, Church of Christ, Dean Louis B. Howard, University of Illinois. Agriculture will be guest speaker. Kaseberg urged local businessmen to make their reservations as soon as possible. In the absence of industrial development chairman C. E. Townsend, Lichtenberger reported for that group. He said the committee has supplied full information to the National Aeronautics and Space Administration in Washington, D.C., regarding the Manned Space Flight Center site north of Granite City, and has assured that the area will be given full consideration.

William C. Brockus reported on the newly organized agriculture committee, which was established at the previous board meeting. He said it has held an organizational meeting, electing Milton Morris as temporary chairman.

Nine small business firms were represented at the initial meeting. Brockus said, and there was a general feeling that the committee can serve a useful purpose promoting small business on the current status of local sewer and drainage plans. He said a second meeting is set for Sept. 28, when 17 firms have been invited to send representatives.

Highway Plans

Revised plans for the River Front Highway — Federal Road 151 — were explained by highway and transportation committee chairman Donald W. Partney. Using huge, detailed engineering plans, Partney showed where the divided four-lane, limited access route will go through the area, connecting Alton and St. Louis. He said his committee endorses the route as it is now proposed, and noted that the state highway department will conduct public hearings on it later.

Utilization of the present downtown post office building after the planned new one goes into use, was discussed with general agreement expressed that some service should be maintained there. The matter was referred to the committee members. He said the committee will develop a plan, under the chairmanship of Ernest E. Veith. Lichtenberger reminded the directors of two upcoming meetings, a Congressional action workshop Sept. 25 at which 17 area Chambers of Commerce will be represented, and a state tax seminar Oct. 15. He also reported that the auditing committee, headed by Fred R. Williams, will begin the annual audit of the C. of C. books at the end of the fiscal year Sept. 30.

MORE ABOUT County Zoning

(Continued from Page 1)

nomie forces of the jurisdiction. "Sound county planning, therefore, requires as a foundation a knowledge of the county's economic base."

"It is pointless, for example, whether such proposals will increase the county's wealth and strengthen its tax base."

Must Be Related To Whole

It is equally unwise to plan for any given portion of a county without first relating it to the county as a whole. All agricultural, commercial, residential and related land requirements must be taken into account and carefully evaluated in order to meet the particular present and future needs of the county.

"Purpose of this report is to provide land planners, governmental bodies, economic enterprises and residents generally with an economic basis for accomplishing a compatible arrangement of land uses in the unincorporated sections of the county so that these areas may achieve enduring, modern and efficient living and working environments for their inhabitants."

"Madison county's manufacturing and industrial economy is demonstrably sound in all observable aspects."

Industrial Destiny

"Richly endowed with the advantages of a strategic and accessible location, with natural resources and, with a potent economic momentum historically, further industrialization appears to be the manifest destiny of Madison county."

"Future industrial development, in general, tends to occur in the county's western panes, where new plants will have effective transportation and water transportation to the existing industrial complex."

It is, therefore, recommended that a generous amount of land be allocated for industrial usage, especially in the unincorporated western sections of the county.

85% of Commerce Is In Cities

"Madison county's commercial economy has been expanding steadily though unexpectantly. In 1958, approximately 85% of all retail sales occurred in the major incorporated places and only 15% in the unincorporated areas and small villages."

In very recent times the commercial economy had expanded considerably through the construction of a number of shopping centers. Because of this, there appears to be little need for any substantial commercial developments in the county's unincorporated areas in the near future, except possibly for a limited number of gasoline service stations and food and other convenience goods stores."

The future outlook for the county's agricultural economy appears to be geared to national expectations of reasonable stability of farm income, further increases in productivity being accompanied by a continuation of decreases in the number of farms and in land area devoted to agricultural pursuits."

Registration For Night School Term Extended

With 317 enrolled so far, registration for night school classes at Granite City high school will continue tonight from 6 to 9, tomorrow from 8:30 a.m. to 1:30 p.m. and all of next week, Sept. 22 to 24. The school year will be announced today.

Registration for enrolling will be 8:30 to 4:30 and 6 p.m. to 9 p.m. Monday through Thursday and 8:30 to 4:30 p.m. Friday, Sept. 22. All courses in the adult education program will begin next week.

Hell-se welding classes are filled, and there is room for four persons in the first sewing course. Only three vacancies remain for driver training, all in the 4:30 to 6:30 p.m. Friday class. Limits have not been set on any other classes as yet.

Wounded Man Fined

Joseph Anderson, 44, of 603 Mercedia street, cut in the chest with a butcher knife Sept. 15, was released from St. Elizabeth's Hospital yesterday and booked by Venice police for assault. Charges with using a knife to hit Wade Duck, 73, of 603 (rear) Mercedia, Anderson was fined \$40 last night by the Venice magistrate. Duck's hearing on an assault with a deadly weapon charge will take place Saturday.

Receives Nurse's Cap At Barnes Hospital

Miss Synda Lea Kingley, a student of Mrs. May Kinsley, 2800 Idaho street, has entered Barnes Hospital School of Nursing and received her nurse's cap in a ceremony this month. Miss Kingley is a June 1961 graduate of the Granite City High School.

Capping ceremonies were held in the Washington University School of Medicine auditorium. Area parents' report that youngsters going to Central Junior high have to walk a roundabout route to avoid the potential hazards of a line of students hiding in boarded-up houses.

Two Here Receive IBA School Diplomas

Harry H. Nelson, assistant vice-president of the First Granite City National Bank, and George W. Reeves, assistant cashier, are among 69 Illinois bankers who have been awarded diplomas at graduation exercises of the Illinois Bankers Association school for development of junior executives at Southern Illinois University, Carbondale.

The diplomas were awarded by Harold R. Fischer, IBA second vice-president and president of the First Granite City National Bank.

During the bankers' school session just completed the students studied a curriculum which dealt with all phases of bank operations, including consumer and commercial loans, agricultural credits, economics, banking law, public relations, public speaking, banking administration and bank credit.

This year, the school was under the guidance and direction of Harry E. Metz, vice-president of the National Bank and Trust Co., Sycamore, Ill.

put through to him at the city garage. However, Warfield said there are times when he is at the office that messages come through for one of the street department foremen and he has no knowledge of the orders being issued.

In the meeting with street workers late last month, Mayor Davis told them work orders from his office were to be given priority over those from the superintendent of streets. The mayor said he is following the SIU program in directing operation of the street department until such time as a director of public works is authorized by the council.

The city, with council approval, is seeking to hire an engineer.

Television Personality In Granite City This Week

Miss Debbie Drake, star of a national television health and exercise show, was in Granite City this week to confer with officials of the Dressed Dairy Co., which sponsors her show in a St. Louis TV station.

Miss Drake's show, which is telecast in over 70 cities throughout the nation, premiered in this area Sept. 4. The 15-minute show began in Dayton, O., in early 1960, and is currently produced in Indianapolis, where Miss Drake now makes her home.

Dairy company officials said Miss Drake will return to Granite City shortly to participate in a personal appearance program for which plans were made during her visit here this week.

Strikes Parked Auto

The southbound auto of Timothy Burns, East St. Louis, called in Springfield, was a district vice-president and a member of the committee.

There are 180 chapters of the Jaycees in Illinois with a total membership of about 9500 young men.

David Thompson Gets Teaching Scholarship

David W. Thompson, son of Mr. and Mrs. Malcolm A. Thompson, 4170 Breckenridge lane, received word yesterday from County Supt. of Schools Wilbur Trimpie that he would receive a full teacher education scholarship to a state college.

The youth graduated as an honor student from Granite City high school last June and plans to major in chemistry at Southern Illinois University, Carbondale.

Bill Wyatt Attends State Jaycee Meeting

Bill Wyatt, 2424 Sheridan avenue, recently attended the fall meeting of the state Jaycee executive committee held in Springfield. Wyatt is a district vice-president and a member of the committee.

There are 180 chapters of the Jaycees in Illinois with a total membership of about 9500 young men.

Accident Victim's Condition 'Critical'

The condition of Mrs. Cecil Mary Miller, 2541 Missouri avenue, who was injured in a three-car crash on Route 67a last Saturday night, remains critical today, according to a member of the family.

Mrs. Miller, who sustained serious head injuries and a fractured right leg in an accident which resulted in minor injuries to four other persons riding in an auto driven by her husband, remained unconscious at noon today in Barnes Hospital, St. Louis.

Visitor Called Home

Mrs. Marie Daniels, who was visiting her son and daughter-in-law, Specialist and Mrs. Franklin Daniels, 1387 Grand avenue, was called home Monday due to the illness of her mother. Mrs. Daniels is from Whiteburg, Ky.

Lake Land Owner Lists Objections To State Park

Opposition to the proposed \$3,500,000 development of the Horseshoe Lake area as a state park was renewed this week by William F. Nichols, president of the Lake Land Owners Association.

In a statement issued yesterday, Nichols praised Gov. Otto Kerner for vetoing the measure, and pointed to the state's program in maintaining the Grand Marais Park and Lake at East St. Louis.

The text of Nichols' statement follows:

"This past week I read with interest of the renewed efforts to acquire the Horseshoe Lake area, as a State Park after the Hon. Governor Kerner has turned thumbs down on the project after finding some of the hidden facts and costs of the project which accompanies the project.

Slitting Problem

"Gov. Kerner acted, I am sure, on the facts presented by the trained personnel of the Conservation Department who know what the real cost of a development of this size can be. And who also recognize the fact that biologically speaking, the lake is considered a dying lake due to the constant siltation which occurs after every heavy rainfall when the runoff waters from the bluffs is diverted into the lake as a catch basin and which catch basin keeps the lake from draining.

"If the Hillside Drainage Project is ever carried out all of the water will be diverted along the foot of the bluffs, and the lake will become a farm pond at the bottom of our bottom lands in the past.

"Many of our trained department of Conservation personnel see these things in the future, and recognize that a lake with an earth filled dam in the bluffs can be built for roughly 10% of what the cost of dredging alone would come to on the Horseshoe Lake project. This figure incidentally was quoted to me by a reliable Department of Conservation man.

Tax Income Loss

"One of the main facts to be taken into consideration is that 7773 acres of taxable property (much of the farmland taxed at \$10 per acre yearly tax) taken from Granite City and Nameoki township tax books would throw back quite a burden on the remainder of these taxpayers who are already under a heavy tax burden, and the county, at the same time, demanding more taxes as they are operating in the red at present.

"I lived in East St. Louis and saw a small 1100-acre project (Grand Marais Park) snowball into a \$5,000,000 project in WPA times when costs were many times lower than they are at present until the park board and city of East St. Louis were so financially strapped that they begged the state of Illinois to take it off their hands at a figure of \$1.

"This lake was much like the Horseshoe Lake area which lake (Grand Marais) was also being silt laden from drainage of bluff water. After running a dredge for two years on one of the three lakes, the State gave it up as a losing battle and removed the dredge boat. A look at this park at present will give a different view of the Horseshoe Lake project if one will observe.

"Then, too, the taking of over 5000 acres of non-lake property is quite out of common sense reasoning as this is an excessive amount of ground to maintain (in Grand Marais Park in East St. Louis much of the land has

Granite City PRESS-RECORD Page 4 Thurs., Sept. 14, 1961

Central Junior High Heat System To Be Improved

Central junior high school heating system will be improved by replacing 17 of the 40 thermostats, the Granite City school board decided Tuesday night.

The school's enrollment was expanded this year with the addition of eighth graders to the seventh grade group.

Reporting on a study of old thermostats which control heat in individual rooms, School Engineer Marvin Dean told the board, "Several of the rooms are overheated in moderately cool weather and windows are opened wide in a hopeless effort to cool the rooms. This loss of heat can be saved by replacing thermostats no longer reliable."

"When the state takes over a lake it generally limits motor boats to 15 hp which eliminates skimming and most of the boating which certain private areas of the lake, now owned by the state, would like to see.

"Another fact to be considered is whether or not the state is big enough to stop local industry from polluting the lake as it has for the past 30 years. (Your paper has carried pictures and stories on this yearly.) In the past four or five months we read where lines have been cut on Granite City Steel for these offenses which amount to a paltry \$1000 fine. I am sure that the state will not be able to stop the pollution which still occurs as evidenced by one in the past two weeks when the state biologist made a count of dead fish killed by the end of the lake. If industry can do these things for years and continue to do them, contrary to all state laws, what will keep them from doing the same to a State Park?

"As president of the Horseshoe Lake Land Owners Association, I am undoubtedly prejudiced in the above, but it is still something that should be considered very carefully before jumping into something that may turn into a white elephant of gigantic proportions.

"I again would like to say that I think Gov. Kerner used great foresight and wisdom and great personal courage when he used the power of his office to reverse the decision of the Senate and Legislature in the above matter."

Frank Buchek, Longtime Resident, Dies At 97

Frank Buchek, 97, a 35-year resident of Granite City and Madison, died at 6:30 a.m. yesterday at his home in New York City. He was a member of St. Mary's Catholic Church in Madison.

Mr. Buchek retired in 1950 after 29 years as a janitor at the National Enameling and Stamping Co. His wife, Augusta, preceded him in death June 5, 1960. He was a member of St. Mary's Catholic Church in Madison.

A native of Czechoslovakia, Mr. Buchek lived in Madison 12 years before moving to Granite City.

Surviving are one son, Stephen, who lives in St. Louis, two grandchildren and two great-grandchildren.

Funeral arrangements will be given in an obituary appearing elsewhere in this issue.

25% Of Quad-City Social Security Checks Show Hike

Several hundred persons living in the Quad-Cities are now receiving increases in the social security checks delivered to them this week, Ralph Brasher, district manager of the East St. Louis social security office, said today.

Payments are increased for about one out of every four persons on the social security benefit rolls, under amendments to the social security law signed by President Kennedy on June 30.

Payments of those receiving benefits at or near the minimum rate are boosted by amounts up to \$7 and the benefits of widows receiving payments based on their husbands' work are raised by about 10%.

"The increased benefits for these persons under the 1961 amendments to the law will be added automatically to their checks, Brasher said, but pointed out that persons not eligible for benefits or for higher benefits by some of the other amendments must notify their nearest social security office.

Other New Amendments

Under these amendments retired men have the option of collecting reduced retirement benefits as early as age 62. Many older people who did not

basketball and wrestling equipment were opened and referred to the administrative staff for analysis and recommendations.

The board approved a request to have Becker Marden Co., St. Louis, to replace the electrical element in an oil burner at Washington grade school.

Reporting on previously authorized actions, Anderson said a roasting oven award was made to Stearns-Imperial Co. of a \$529 low bid to specifications; Schmidt Roofing, totaling \$4243, and Quad-City Roofing \$876 on school roof repairs; and DeBell Paper Products \$1802 and Butler Paper \$1490 on paper towels and dispensers.

Bills approved totaled \$44,147 in the educational fund, \$25,988 in the building fund, \$10,706 in the new construction fund and \$255 in the federal construction fund.

Included were payments totaling \$9873 to Buxton and Skinner for furniture and instructional supplies, \$12,150 to Reiser Plumbing and Heating for elementary school work, \$2561 to Rite Electric for supplies and work at Coolidge Junior High and elementary schools and \$10,311 to Nelson Construction Co. on construction of grade school additions.

Mathematics supply bid awards amounted to \$289 from Welch Scientific Co., \$152 from Gamco Products, \$50 from Clinton Misco and \$33 from Frederick Post Co. all on low bid to specifications. There will be \$60 in Defense Education reimbursement.

Mop Cleaning

Mop treatment and cleaning was awarded to Clean Coverall Supply Co. at 1 1/2 cents an inch. Charles Todd Uniform Rental bid the same but a sample test by the district showed less treatment per mop. There were two 11-cent bids and one of three cents, and last year's cost was 1 1/2 cents. Aggregate expenditure was estimated at \$700.

Taking action on bids newly opened Tuesday night, the board decided to purchase frozen pork to flakes from Meleto Frozen Foods at 31.94 cents a pound and accepted a low bid of \$150 from Dron Electric Co. on cleaning lights at the GCHS football field. Leasing requiring it be replaced at \$5 each.

Bids on candy, canned goods, school letters and insignias and

Widow's Benefits Change

Also, because of the 10% increase in widow's benefits, some widows now receiving social security benefits based on their own work under social security may qualify for higher amounts by applying for the widow's benefits payable on their husbands' social security earnings record.

The East St. Louis office of social security administration is at 435 Missouri avenue.

Animal Shelter Board Studies Record Forms

A study of forms used to keep records of dogs by humane societies and at other animal shelters was made at Tuesday night's meeting of the newly-organized Animal Shelter Committee.

Mrs. R. E. Chapman, chairman, conducted the meeting held at the city hall in Granite City. Other discussion was on methods of disposing of unwanted or diseased animals and the shelter now under construction on U. S. Highway 67A.

Present were members Fayette Bent, Mrs. Lucille MacLeod, Mrs. Charles Meyers, Mrs. Vasil S. Zenk, 59, of 2014 Lakewood drive, for failure to yield right-of-way after a two-car collision at 4:20 p.m. Tuesday at Ponton road and Lake drive. The other driver was Virginia Oliver, 33, Wood River. There were no injuries.

Ponton Road Crash

State troopers ticketed Frank S. Zenk, 59, of 2014 Lakewood drive, for failure to yield right-of-way after a two-car collision at 4:20 p.m. Tuesday at Ponton road and Lake drive. The other driver was Virginia Oliver, 33, Wood River. There were no injuries.

SEWING CIRCLE MEETS

The Weekly Sewing Circle met Tuesday at the Mitchell Presbyterian Church under the direction of Mrs. Fern Whyers for a day of quilting.

A pot luck lunch was served at noon to Medsians Fairy Lane, Emily Jones, Hilda Jameson, Ora Phillips, Avalon Young, Jeff Howard and children, Agnes Butler and grandson, Ann Meyers, Josephine Mitchell, Mrs. Whyers and four guests, Rev. John DiGiacomo, Bill Butler, Bill Howard and Joseph Whyers.

The Mitchell Park and Athletic Association will hold its first annual fall festival Saturday starting at 2:30 p.m. at the Mitchell fire hall.

Speeding Charge

Adolph Clyde, 52, of 4112 Stearns avenue, was charged with speeding at 65 p.m. Tuesday at St. Clair and Dale avenues. He posted his operator's license as bond.

Charge Filed Against Motorist in Crash

A charge of failure to yield right-of-way was placed against Pete Schermer, 66, of 2623 Delmar avenue, following a two-car collision about 5:30 p.m. yesterday at 23rd street and Delmar avenue. He posted his driver's license as bond.

Police said Schermer was driving north on Delmar, while the other car was being operated west on 23rd street by Edwin Smick, 54, of 716 Twenty-sixth street. No injuries were listed.

Enters Medical School

Miss Carol Hoelscher, a daughter of Mr. and Mrs. George R. Hoelscher, 122 Central avenue, entered Medical School at Grace Memorial Hospital, Detroit, Mich., this week. A June 1959 graduate of the Granite City high school, Miss Hoelscher completed her college requirements at Elmhurst College the past two years.

MORE ABOUT 10 Classrooms In Budget (Continued from Page 1)

Namook township property at 30% to 35%, Worthen said the district is "not getting its fair share" of income and that persons in unincorporated areas are "paying less for the education of their children than the people who live in Granite City township."

Bischoff disagreed with the statistics and said he would like to know how they were determined.

Assessing Jurisdiction
No action was taken when the discussion brought out that courts have disallowed such objections on the ground that valuations are up to the discretion of individual township assessors, as adjusted by the county review board.

Supt. Kaiser said that while no specific debt reduction goal had been set, he hopes that the administrative status and board will be able to achieve economies as the year progresses.

Worthen said no exact goal had been set the previous year and Huber, former board president, replied that there was a goal. Debt was reduced from an authorized \$1,000,000, of which \$900,000 was to \$700,000.

Housing Payment
With \$5500 reported received from the Granite City Housing Authority in lieu of real estate taxes, Huber used a study of whether increased funds can be made available to the district.

Bischoff noted that identical rates produce more tax revenue because assessed valuation rises each year. Conceding that additional homes are being built in the community, he said he believes that a large portion of the valuation increase results from an steadily higher assessments on existing property.

As the discussion drew to a close, Huber commented, "Maybe we ought to see if we can reduce our expenditures" and Bischoff added, "Amen." President Robert Spengler called attention to the budget under consideration, but no specific reductions were suggested by board members.

Nine Injuries In Four Area Traffic Mishaps

Minor injuries were suffered by six persons, including three small children, in a two-car collision which occurred in the 2200 block of Madison avenue during a rainstorm about 5:30 p.m. yesterday.

Police said both cars were traveling north and the crash occurred as one slowed down because the other skidded on wet pavement in an attempt to stop.

Injured in the first car were Leota V. McKinney, 43, of 1113 Twenty-fourth street, and a passenger, Ernestine Pendleton, 50, of 2421 State street.

All occupants of the second car were hurt—the driver, Dorothy A. Beck, 40, of 1719 Black lane, and three children, Kathleen, 6, Mike, 5, and Donald Beck, 4, all of the Black lane address.

Camella McGee, five, of 529 Garner road, Venice, suffered minor injuries at 6:34 a.m. Tuesday in a two-car collision at the Broadway railroad crossing at 6:34 a.m. Tuesday. Both vehicles were headed west.

Police listed damage to the front end and radiator of the auto of B. J. Nunley, 48, of 529 Garner and the rear of the car of Lonnie A. Wood, 45, of 533 Reynolds street, Madison, who had been east on the crossing. Nunley's auto was towed to a garage, and the passenger was taken to Elizabeth Hospital for treatment.

Mrs. Elsie Rogers, 54, of 3036 Boston avenue suffered injuries to the nose and left ankle at 4:30 p.m. Tuesday when she crossed the railroad crossing at the auto of Robert E. Donitham, 30, of 2016 Twelfth street, who had been going east on Elizabeth street and turned right to head south on McCambridge avenue. The left front of each vehicle sustained damage.

Donitham was charged with reckless driving for allegedly swinging wide on the turn. He left his driver's license and was released to return for a hearing in Madison Sept. 23.

Two westbound cars on St. Clair avenue collided Tuesday at 4:45 p.m. at Wayne avenue. Police reported that Robert G. Bailey, 32, East St. Louis, applied his brakes but apparently skidded on the wet pavement and struck the right rear of a car driven by William Abernathy, 17, of 2801 East 24th street, who complained of injury. No charges were filed.

Rev. Shortal Leaving For Springfield
(Special from Springfield)
Rev. James Shortal, who has served as assistant pastor at St. Elizabeth Catholic Church for the past four years, has been appointed assistant pastor of the Blessed Sacrament Church in Springfield by Rev. William A. O'Connor of the Springfield diocese. He will assume his duties there September 26.

Rev. John Franklin of Mt. Sterling, Ill., who was recently ordained, will be the assistant pastor here.

Water Office Workers Still Threaten Strike

Negotiations are still under way between the East St. Louis & Interurban Water Co. and the approximately 40 office workers of the three area offices, members of Local 130 of the International Office Employees Union, which has been threatening to strike since last Thursday.

A special meeting has been called for tonight by the union to study new proposals suggested by the Federal Mediation and Conciliation Service of St. Louis in an effort to avert a walkout, according to Herbert Wilhelm, executive secretary of the Greater East St. Louis Central Labor Council.

"We're making every attempt to prevent a strike," he said. The international union has approved the strike which employees voted for last week unless the company meets their request for a 10-cent pay hike and a 13-month contract. The company has offered an 18-month contract.

Most of the office workers are employed at the East St. Louis and Belleville offices. About five are employed at the Granite City office.

Clyde Bradford Sr., 50-Year Resident, Dies
Clyde A. Bradford sr., 73, a retired switchman for the Nickel Plate Railroad, died at his home, 1928 Alton avenue, Madison, at 6:20 a.m. today.

Mrs. Bradford had been in failing health for the past seven years. Death was due to a stroke which he suffered a week ago.

He was preceded in death by his wife, Emma, in 1932. Surviving are six sons, Clyde Jr. and Curtis of Granite City, James of Collinsville, Marcus of Edwardsville, Ralph of Maplewood and Harold Bradford of Oceanide, Calif.; two daughters, Mrs. Myrtle Vandave of Granite City; 19 grandchildren and one great-grandchild.

Arrangements are given in the obituary column.

2 Children Trapped In Bathroom Rescued
Granite City police were credited with an assist in the rescue yesterday evening of two small girls, about 1½ and 3 years old, who had locked themselves in the bathroom at their home in the 2600 block of Lincoln avenue.

Police were summoned about 6:30 p.m. and an officer borrowed a ladder to reach the window, about eight feet off the ground, to remove screws and take the door down.

The officer then lifted a small neighbor girl, about six years old, through the small window to unlock the door for the smaller youngsters.

Venice Drops Fall Baseball Opener, 2-0

Held to one hit by winning Pitcher Don Downing, Venice dropped its opening game of the fall baseball schedule to Bunker Hill on the winners' diamond Tuesday, 2-0.

Loser Pete Fields gave up only four hits in a game abbreviated to five innings by rain. The Minutemen scored single runs in the third and fourth innings. Both were unearned as a result of Red Devil errors.

Venice's lone hit was a second-inning double by Kenny McKeown. Bill Oehlendorf's team will play its first home game of the season in Lee Park Friday at 3:30 p.m. The Devils' opponent will be Aviston, a fellow member of the Madison-Bond-Clinton counties conference.

Sports Car Club To Hold Time Trials At Speedway Sunday
Time trials for sports, compact and large cars will be conducted from 9 a.m. to 6 p.m. Sunday at the Tri-City Sports Car Club track.

Called the "Little Indy" event will consist of best lap time trials around the one-quarter-mile oval at the speedway. Timed runs will be awarded through fifth place in 10 different classes by the sponsoring SSSLC.

Entries will be computed electronically, and drivers will have the opportunity to make as many runs as the nine-hour schedule will permit, and then submit their best clocking.

Food and refreshments will be available at the track and there will be no admission charge for spectators. Wilson added.

East St. Louis (Who Else?) Is Southwestern Loop Pick: MWC Title Race Wide Open

Crafty Coach Fred Cameron of East St. Louis, whose Flyers alone in advance each year for the usual poor showing made by the school's basketball squad, apparently has his hands on another Southwestern conference gridiron championship.

True, the Flyers—and their on the varsity roster being opposition this fall—are still juniors. But Seniors Loren Ray, Ron Ayers and Don Davis lead a veteran backfield which possesses typical Redbird speed. A light line will need some help from the juniors.

Granite City and Belleville are unknown quantities on the eve of the 1961 openings. Both have lots of lettermen returning (16 at GC and 15 at Belleville). Granite City will switch to the single wing this fall in an attempt to overcome lack of speed.

19 Maroon Seniors
Nineteen seniors grace the Maroon roster, but only 10 gained enough experience to letter in 1960. Bob Frala's club will be unusually light, but look for some good rushing efforts from Co-Captain and Fullback Bob Englebrecht.

Granite City is bigger—but not faster—than last season's cellar-dwelling club. The 19 lettermen got their share of bumps in a 1-9 overall campaign, losing Quarterback Gary L. and one equally talented field general is available to step into the shoes of a boy whose play was a shiny spot in an otherwise dull season.

New MWC Contender?
Prevental favorites in the Midwestern conference, Roxana and Little Dupe (enrollment 370), who tied for the MWC crown last fall, may find their positions threatened by — of all schools — Cahokia.

The largest school in the conference also has the largest team available this year from among the six conference members. The Comanches again will be tough when the opposition has the ball, and Tytus Winters is a long-gone halfback should be Bulldogs.

break through into the second try. Dupe's Paul Taylor and Roxana's Earl McLane, who annually renew their separate patents on the crying towel, are not exactly talented either. On the basis of past records, McLane's is the best — the Shells are favored.

McLane loses all but one of the players who started the first 1960 game, but has a reputation of making MWC title contenders from the material available. Two bright spots at Dupe are Willie White (all-conference center as a sophomore) and Fullback Tony Pratt.

Leading Scorer Back
Madison has a near all-time record on a backfield present, including Fullback Ken Griggs, a breakaway runner who led the team in scoring with 41 points last fall. Quarterback Mick Gravelle and Fullback Terry Andrews. Replacements for graduated linemen are Glen Pickering's big problem.

The have-nots in the Midwestern loop again appear to be Bethala, small in number and lacking in depth, and Highland (0-5-3 last fall), where new Coach Frank Frchal has his work cut out in trying to put some bite into the barbed-wire Bulldogs.

Area Prep Pigskin Season Will Open Friday Night

MADISON'S TROJANS, coached by Glen Pickering, will open the 1961 gridiron season tomorrow night by playing host to the Edwardsville Tigers. Pickering and his assistants, Joe Aspreger, have eight returning lettermen on the squad. Team members are: front row (left to right) Tony Evanoff, Delbert Clements, Mick Gravelle, Norm Stewart, Sam Dymas, Vince Marasola, George Stewart and

Madison Seeks Revenge As It Hosts Edwardsville Minus Tony Penelton

Edwardsville's Tigers, minus Tony Penelton, will invade Madison at 8 p.m. tomorrow in the season opener for both schools. The game will feature power against power, as both teams employ the versatile wing-T offense.

It was just 364 days ago that Penelton and the Bengals entertained Coach Glen "Pick" Pickering's Trojans and sent them home in a franchise with a 40-14 setback. And it was Penelton who provided most of Madison's distress as he crossed through the Big Green defense to tally 25 points.

Penelton has graduated and this year's contest is away from Tigerland. Better yet, Ken Griggs, Madison's bright light in last year's loss, is back. It was Griggs who scored both touchdowns for the Big Green on spectacular 80 and 51-yard runs.

Joining Griggs in the backfield are veterans Mick Gravelle at quarterback and backfield Terry Andrews. The fourth backfield position is being battled for by Lettermen Ed Petty and Walt Cooper. Cooper, a converted end, is a sure starter on defense for Pickering.

Madison's line will be anchored by Lettermen Sam Dymas, who has switched from guard to tackle this season. "Little Sam" tips the scales at 225.

Helping Dymas in the forward wall are Lettermen Norm Stewart at right guard and George Stewart at left tackle. Other probable starters in the line are

Clint Robinson, Middle row, Wally Wiedner, Marvin Thomas, Ervin Mueller, Ken Griggs, Richie Hamilton, Lester White, Steve Konch, Gary Skinner, Walt Cooper, John Williams and Ted Maistrick. Back row, Ed Petty, Bob Haynes, Charles Koske, Charlie Venarsky, John Chesky, Roy Cross, Terry Andrews, George Russell, Don Freeman, Clarence Woolfolk, Cecil Bell and Calvin Jackson.

Benefit Grid Game
Tickets On Sale

Approximately 2200 adult tickets for the annual Shriner crippled children's benefit football clash between Granite City and Madison high school teams went on sale today in the Quad City, according to Wesley Dudley, ticket sales chairman.

Sponsored by the Tri-City Shrine Club, the yearly fall gridiron meeting between the Warriors and Trojans will be played at the GCIS field Friday, Sept. 22, beginning at 8 p.m.

Proceeds from the seventh annual meeting of the two high school teams for charitable purposes will be donated to the Shriner's Hospital for Crippled Children in St. Louis, Henry V. Gieners, Shrine Club football chairman, reports.

Student tickets to the game will be available at the respective high schools at regular student rates. All Shriners here are advised to get tickets for sale. Tickets also may be requested by calling Dudley at TE-2491 or Shriners at TR-7284 or TR-7353.

GCHS Cross-Country Squad Doubles In Size; Only 2 Lettermen Return

Forty-nine cross-country team candidates, more than double the number ever to report previously to GCHS Coach Dick Hoffman, have checked out in preparation for the 1961 distance running season.

Hoffman said he was "pleasantly surprised" by the large turnout, despite the fact that only two lettermen from last year's team are among the group currently getting into shape for the home opener with Alton on Tuesday, Sept. 26.

The lettermen are Seniors Larry Kell and Alton Kennedy, who will serve as co-captains this fall for a unit which includes 17 sophomore hopefuls.

"We're not in shape yet, but the boys are getting in four laps around Wilson Park each afternoon (about five miles), although they're not running all the way yet," Hoffman said.

The after-school legwork is preceded by 30 minutes of loosening up of tight muscles. Hoffman revealed that he plans to hold the first team time trials a week from tomorrow.

Harmon, who also coaches tennis at GCHS, added that he plans to run home meets—in all—around a new course in Wilson Park this fall if arrangements can be made.

"We would start and finish near the junction of Fehling road and State street, running completely around the park. I haven't measured the distance

GC Will Challenge Big Pioneer Club At Parsons Field; 12 Weekend Games

Twelve games, involving 16 high school football teams from this area and eight from nearby Missouri or outstate Illinois, spice the first weekend of prep football in this area.

Illinois gridirers will open up tomorrow evening, and included on Friday's eight-game card is Granite City's meeting with the Assumption Panthers at Parsons Field in East St. Louis. Game time is 8 p.m.

The Warriors will be attempting to give Coach Andy Sullivan his first opening game win in the four years that the amiable Irishman has tutored the Red and Black, and from the looks of the host Pioneers' roster it will take some doing.

From tackle to tackle, George Martz, behemoths average hefty 228 pounds per man, topped by Center Con O'Sullivan at 260. O'Sullivan played his first game of the 1960 season, according to Martz, when the East St. Louis school spoiled last year's Warrior debut here, 13-0.

The Warriors are no midge-pits up front, either, although their size is not equal to that listed for Martz's crew. Excluding the offensive ends, Granite City's line will average 197 pounds a man. As is the case with the Warriors, the 11 probable starters are seniors and lettermen.

Coaches and players, which came out of an Optimist club meeting here when Sullivan was guest speaker, the Warriors will stick basically to the T formation and its variations this season.

"I did mention that we lacked speed and that some of our defense would be similar to Missouri's power sweep, which we called the single wing," the coaches said. Evidently, club members misinterpreted this to mean that they would run out of the single wing.

On defense, Bob King and Doug Haug were starting line-backers.

PREP PIGSKIN PICKS

The first football guessing game conducted hereabouts last fall resulted in a percentage of 738 for the Press-Record's "picks." Picking 82 winners in 111 games (eight ties were counted as incorrect predictions), was not too bad an average so the idea will be continued this fall.

This information is gained by feeding all the advance statistics possible into an electronic computer, which the staff has fondly dubbed "Claude."

Claude does not foresee opening game victories for either Granite City or Madison. Fed advance data concerning 24 teams, Claude ground out the following predictions. The post-score comments also are his.

Friday: Assumption 36, Granite City 13 — These Pioneers are heavyweights; Edwardsville 24, Madison 12 — I don't see Penelton, but who left that wooden horse in? St. Louis U. High 19, Alton 13 — main course. Redbird under glass: Wood River 23, Bethalto 6 — Oilers too slippery. Roosevelt 18, Collinsville 7 — No Riddle for Rough Riders: Havana 18, Southwestern 6 — light barrage of Shells: Marquette 7, Hawley Tech 0 — busing. Hornets but no buns: Belleville 31, Webster Groves 7 — marooned Statesmen.

Saturday: Quincy CBC 18, Dupo 7 — bluffs no place for Tigers; Cahokia 19, Cathedral 18 — Comanche upringing equals up; East St. Louis 28, Decatur 10 — ho-hum; Western Military Academy 19, DeAndres 7 — forward, march.

"Tim Davis, a sophomore place kicker on the 1961 Alabama football squad, is the son of former Alabama star fullback "Pig" Davis.

Hearts, Mercer Have Winning Marks Against Sunday Playoff Opponents

Granite City's Sacred Heart, which split a 22-game schedule right down the middle in Southwestern Illinois Inter-City Baseball league play this summer, will hold at least a psychological advantage over its opponent in the first-round league playoffs, which will begin Sunday. Mercer of Granite City will begin play-off competition at Wilson Park at 2:30 p.m. Sunday.

The Hearts will travel to Collinsville, where they will meet the Boosters of that city at 2:30 p.m. at Fletcher Field. The local third-place finisher in the I-C's Red division is one of the two teams in the 10-member loop that have played better than 500 ball against the Boosters.

After being maulled 20-6 the first time they engaged the Collinsville club, the Hearts scored successive 4-3 and 3-1 wins later in the season. They will have to win again Sunday to keep alive hopes of grabbing the I-C President's cup.

Three Wins Over Braves

Mercer owns a three-game winning streak (4-2, 4-1 and 4-3) against the Braves but, again, past records will not mean a thing unless the local club can come up with another victory.

Pro Bowler In Exhibition-Clinic Session At Bowland

Morris Oppenheim, professional bowler from Chicago and a member of a bowling equipment manufacturer's "Staff of Champions" will roll exhibition games and conduct a bowling clinic Sunday afternoon and evening at Bowland Lanes, Inc., 5050 Nantawick road, Provoletur Jack Jachino said today.

The 23-year-old Oppenheim was one half of the Illinois state doubles championship combination in 1957-58 and a member of the Chicago city team champions in 1958-59 and 1959-60.

He carried the high average of 208 during the 1959-60 season in the Chicago Classic league, and won the Southern California Open tournament at Torrance in July 1960.

Under the present playoff arrangements the division champions — Moose Lodge No. 4 of East St. Louis in the Red loop and McAteer Glass of East St. Louis in the Blue — are idle this weekend.

On Sunday, Sept. 24, the division champs will meet the survivors of the coming weekend's action in a one-game elimination on the division titlist's home field.

Sept. 24 winners — one representative from each division — then are to begin a best two-out-of-three series on Oct. 1, with the first game played on the Blue division playoff winner's diamond.

150-Lap Main Event Is Won By Spalding

With Spalding of Madison literally ran away from the field Tuesday night in winning a special 150-lap national championship race for super-modified stock cars at the Tri-City Speedway.

A consistent winner for several years at tracks in the area, Spalding jumped off to an early lead and had lapped most of the 14-car field before the longest race on record at the speedway was completed.

By running in front for most of the 37½-mile grind, Spalding also picked up \$150 in lap money donated by local merchants. In addition to the \$500 first-place feature money.

Decatur driver John Meyer was second in the feature and Granite City's Dave Hollis picked up third-place money.

Nichols Triple Winner

Harvey Nichols won the 15-lap semi-sprint for cars which did not make the 150-lapper, and also placed first in two feeder-belt class heat races.

Modified heat race winners were Bud Pursley, Ron Ditterman, Ollie Runyon and Bill Meyer of St. Louis.

Next Tuesday's racing card at the speedway will feature a special tag race. Children under 12 will be admitted free when accompanied by parents. Time trials are at 7:15 p.m., with racing beginning one hour later.

Hookey Season Gets Jump On Grid Game

Local truant officers donned their uniforms ahead of area football officials Tuesday as two cases of boys "skipping school" were reported to Granite City police, and another boy was reported lost.

The first case involved two 11-year-old classmates from Wilson school that were reported missing from school Tuesday morning. The two boys called their mothers about 7:45 p.m. and said they were afraid to come home and wouldn't tell where they were calling from at the time. About two hours later they showed up at their homes, unharmed, and promising never to play "hookey" again.

The second case of truancy was reported yesterday morning at Frohardt school when a six-year-old boy was reportedly seen on the school playground prior to the first bell but then apparently rode off on a classmate's bike. He came pedaling back about two hours later.

Tuesday afternoon about 1:45 a boy was reported lost from St. Elizabeth school but he was found a short time later and returned to his classroom.

CHAMPIONSHIP FORM in instinctive shooting division is exhibited by Don Kiel of Mitchell, shown on the way to state amateur archery title which he won in competition with 300 archers at Rockford. Boy Scout leader at left is one of group of scorers who accompanied contestants through various phases of the state meet.

Local Archer Don Kiel Hits What He Aims At, Including Illinois Title

For a man who first seriously picked up a longbow three years ago, Don Kiel, 156 Voight avenue, Mitchell, has come a long way.

He reached a milestone in the career of any amateur archer this month in Rockford, Ill., where he broke all sorts of Illinois records in winning the field and instinctive divisions to become the state champion. But he does not plan to stop there.

A member of the Universal Field Archery Club of Edwardsville, he plans to compete Sunday against two national champions, both from Missouri, in a professional and amateur archery shoot at the game preserve near Weldon Spring, Mo.

The competition will be "strictly for kids," however, since in-state records will be at stake, but Kiel is more than a little interested in seeing how he fares against the top bowstring-pullers in the nation.

He fared quite well against over 300 Illinois archers in the state finals at Rockford.

Record Aggregate Score

His aggregate score in three shooting divisions—target, broadhead and field—was 3878 points, a new state record. In the double-A instinctive competition he scored 368 points to finish first, and another state record fell when his tabulated score of 455 in the field shooting finals was posted.

Field shooting probably is the most difficult division, since bowmen have to rely on their ability to gauge the distance to targets which are set up in a heavily wooded area.

7-Mile Walk

There are 28 targets in all, set from 15 to 80 yards away from the target.

GC District Studying Game Broadcast Request

Financial aspects of radio coverage of school events were discussed Tuesday night by the Granite City school board, which delayed action on WBBB's request for permission to broadcast the East St. Louis-at-Granite City high school football game Oct. 19.

Supt. Harold M. Kaiser was asked to report Sept. 26 on what sponsors for the game have been accepted by the "big beat radio" station, located in East St. Louis. If approval is given, Dr. Kaiser said the broadcast's effect on gate receipts will be considered in future recommendations to the district's broadcasting policy.

The board authorized a Quincy station to tape a broadcast of that school's game here Nov. 3 for use in Quincy. Dr. Kaiser said some basketball games were taped for re-broadcast last year, but local games have not been broadcast "live," as is now proposed by WBBB.

The study to be made will include whether payment is being made to East St. Louis high school by the station, which hopes to broadcast all of the Flyers' games, and whether the station will be firm competing with stores or other businesses that pay taxes to the Granite City school district.

In its letter, the station asked for information on the playing field location, the starting time of games and player rosters and numbers. It said it would assume expenses related to "broadcast lines, engineering and announcing talent," and added, "If you do not have a broadcast booth, we may ask that a table and two chairs be provided for our announcer and engineer. We will appreciate your cooperation and shall be most happy to reciprocate should the occasion arise."

It was noted that a radio station is planned for Granite City, and Board Member Monroe Worthen said, "I'm sure they will have sponsors from Granite City. He cautioned that the decision on the WBBB request could affect future broadcasting of Granite City team's road games.

ENLARGED POLICE OFFICES are being constructed during remodeling of the Madison city hall. This view shows work in progress on a raised area to be occupied by the desk sergeant-radio operator. The area was occupied formerly by the fire engine room, which has been moved to an adjacent building.

Earlier Reveille At Engineer Depot

Activities at the Granite City Engineer Depot will start at an earlier time as the winter schedule begins with reveille at 6 a.m. instead of 6:15 a.m.

The announcement was made to advise local residents that their "neighbor-soldiers" will be stirring at an earlier hour in order to follow the tradition of reveille, physical training and dismounted drill.

SIU Freshmen Orientation For 600 At SW Campus

Six hundred new Southern Illinois University students will take part in orientation activities at the University's Southwestern Illinois Campus this weekend.

Saturday events are scheduled at the Edwardsville campus and at Rock Spring Park near Alton. Sunday's activities will take place at the Alton and East St. Louis Centers of the university.

Sixteen buses - eight from each center - will be used to transport prospective students to Edwardsville in time for them to sign in at 9 o'clock Saturday morning.

Dr. Delyte W. Morris, SIU president, and Dr. Clarence W. Stephens, new vice-president for operations on the Edwardsville Campus, will welcome new students to the university.

Purpose of the two-day orientation, according to Dr. Howard V. Davis, director of student affairs for the Southwestern Illinois Campus, is to help students get off on the right foot in college and to supply them with information so they can adjust to college life.

Students will listen to speakers explain the functions of the university, hear a panel discussion on the differences between high school and college and get an explanation of university services they'll be using.

A box lunch will be served to the 600 students at noon on the site of the new university mall at Edwardsville.

After discussion sessions and a bus tour of the Edwardsville campus, students will be taken to Rock Spring Park for a buffet supper, dancing and games. Buses will return all new students to the East St. Louis and Alton Centers at 10 p.m.

Concurrent Sunday afternoon sessions will begin at 1:30 p.m. at the Alton and East St. Louis Centers.

New students will be told about student government, the student council, general library procedures, health services and what to expect at college.

An interpretation of guidance test battery scores and pre-registration academic advisement will wind up the two-day orientation session.

Registration for Fall quarter classes will be Sept. 19 and 20, with classes beginning Thursday, Sept. 21.

Roca Club To Select Fall Sweetheart

The Black and Gold chapters of Roca young men's club will elect a fall sweetheart from among five nominees during a joint chapter meeting to be held Tuesday night at the local Moose hall.

The nominees are Vicki Andria, Karen Bloodworth, Pamela Dyer, Jane Kries and Mary Lewis, one of whom will be selected to reign over fall social activities of the club.

The two chapters will stage a joint hayride Saturday evening. Two prospective members were pledged by Roca Gold during its Tuesday night meeting. They are Wayne Brewer and Kenneth Hubert.

Legion 113 Reaches 68 In Membership Drive

Tri-City American Legion Post 113 Senior Vice-Commander Charles M. Kutz reported Tuesday night that the post has enrolled 68 members since the recent beginning of a membership campaign. Reporting during the regular post meeting, Mizeraki said a goal of 416 new and renewed memberships has been established, and is expected to be reached by the end of the year.

Post 113 appointed Richard Blackwell at service officer to fill a vacancy created by the resignation of Guy Cooper. Finance officer A. Burt Harris was absent, since he is attending the American Legion national convention this week in Denver, Colo.

During Tuesday's meeting, the members were addressed by Mrs. Katherine Morris, president of the Legion Auxiliary. Mrs. Morris said the auxiliary will create a closer working relationship between the auxiliary and Post 113 and outlined auxiliary plans for the year.

Members approved a motion to supply a year's subscription of the official American Legion magazine to the Granite City Engineer Depot library.

Junior Vice-Commander Harold Summers said that Saturday evening will be "family night" at the post home. A Halloween dance also is being planned.

Motorist In Crash Fined \$5 Yesterday

A fine of \$5 was imposed on a Missouri motorist who pleaded guilty yesterday to a charge of failure to yield right-of-way after being involved in a two-car accident at 21st street and Madison avenue. He was Sigmund Emil Katz, 23, of University City.

Police said Katz was traveling west on 21st street, while the other car was being operated north on Madison avenue by Thomas D. Kennedy, 21, of Tamaroa, Ill. No injuries were listed.

MRS. EVELYN GAVIN, far left, one of Granite City's four teachers for the emotional and mentally handicapped is shown here with board members of the Granite City Association for Aid to Retarded Children, from left to right, W. A. Coyle, president; Mrs. Betty Schwallier, secretary; Mrs. Louise Baker, vice-president; and Mrs. Helen DeBart, treasurer. The board is shown here giving Mrs. Gavin a hand in preparing her room at Lake School for Tuesday's opening day of school.

United Fund Health Service

Retarded Children Group Meets Problem

For two and one-half percent of all the children in the United States, normal teaching methods and equipment are ineffective. At this percentage, about 425 of the approximately 17,500 students in the Quad-Cities need special teachers, facilities and supplies.

The reason: These children are mentally handicapped.

To provide the special education needs for retarded children in the Quad-Cities, a United Fund agency sponsors a direct assistance plus scholarship plan for persons intending to teach the mentally handicapped.

The Granite City Association for Aid to Retarded Children was formed in October 1960, when six families decided that local aid should be given to the growing number of children who could not be trained in regular classes.

Today four of these special classes are held at Granite City schools. The association also sponsors a summer day camp, Saturday activity and Sunday spiritual programs, and scouting activities for the children, as well as offering assistance to college students going into the field.

Affiliated with the state and national organizations for aid to retarded children, the local association has as its purpose the general welfare of such children, plus the fostering of programs which produce more able teachers.

The latter part of the association's goal is the more difficult to fulfill. Authorities say that the state of Illinois alone will need hundreds more of the teachers each year for the next ten years if all the children are to be assisted.

In Granite City four teachers are currently working with classes of retarded children and another will begin work next

year. The children are divided into two main groups — the trainable mentally handicapped (TMMH) and the educable mentally handicapped (EMMH).

Teaching a class of the trainable mentally handicapped at Lake school is Mrs. Evelyn Gavin. At McKinley school, Mrs. Mary Kesar teaches an EMH class on the intermediate grade level.

Mrs. Vivian Lupardus handles a primary EMH class at Niedringhaus school. And the pupils on the junior high level are taught by Mrs. Myra Bladen at Central school.

The distinction between the two types of classes lies in the potential ability of the children. Those placed in the trainable class are of a lower mental potential than the educable. Their capacity is mainly on the manual training level.

The educable mentally handicapped are taught fundamentals of mathematics, writing and reading. As they progress they receive more advanced training.

An EMH class is limited by state law to 15 students, with ten the maximum in TMMH classes. Intelligence quotient and other psychological tests and the decision of the psychologist are the basis of placement.

This year 37 children, ten more than last year, are registered in the four classes, with immediate need for at least one more class. Association President William A. Coyle says the waiting list is long.

The new teacher who will begin next year is currently a senior at Illinois State Normal University. Miss Rebecca Glover, 2654 Iowa street, is the recipient of one of the association's teaching scholarships. Under the program, four-year grants worth \$2000 are available to any qualified college student.

Transportation to the classes is provided by a station wagon purchased recently by the Daybreak Optimist club. For those children unable to come to the weekday sessions, the association sponsors a Saturday activity

program at St. John United Church of Christ in which children carry out such skills as weaving, coloring, wood craft and games.

Harold Thomas, head of special education for the Granite City school district, emphasizes the importance of such activities. Not only do the children become more dexterous and alert, but their personalities also are improved. As much as the normal, they enjoy and profit by companionship.

During the summer, a two-week day camp is held in Wilson park and the pupils participate in activities usually closed to them. They swim and hold outdoor meals and games. Mrs. Lupardus is in charge of the camp, with much of the work being handled by volunteer counselors from local schools and parents.

An innovation for this part of the state is the Boy Scout program for the younger of the boys. Last May, a cub pack was formed, the only scouting group for retarded boys in southern Illinois.

An inter-denominational spiritual training class is held at Hope Lutheran Church on Sundays during the winter and Saturdays in the summer months. Conducted by Rev. Alfred Duls, the program includes instruction by ladies of the church.

Coyle feels the association's activities are valuable insofar as they attract attention to the plight of mentally handicapped children. Through no fault of their own, they have been restricted to a limited portion of society. If ignored, they will regress farther, he said.

For college students interested in teaching the retarded, the field is wide open. Both funds for scholarships and vacant positions are available, he noted.

The association is supported solely by the United Fund. Current budget is \$5018 with UP contributing the full amount. The 1962 budget figure is \$3200.

Promotion Meeting For IEA Here Next Week

Three staff members of the state offices of the National and Illinois Education Associations will be present to answer questions at a membership promotion meeting at 7:30 p.m. next Thursday, Sept. 21, at the Granite City high school.

William Hodge, John Starkey and Mrs. Lottia Talmi are the staff members scheduled to attend the meeting, sponsored by the Granite City Education Association, it was reported.

The meeting is especially for building representatives, local association officers, sectional officers and members of the Marquette division board, but all interested persons are welcome.

The local association will hold its first meeting this year at 4 p.m. Sept. 25 in the high school auditorium. New teachers will be welcomed and recent legislation concerning teachers and teacher welfare will be discussed. President Miss Louise Drexler and Social Chairman Mrs. Mary Alice Regenhardt announced.

Dale Rea, delegate to the National Education Association convention which met in Atlantic City last June, will report on the proceedings.

Plans for an executive board session last Monday at Niedringhaus school, at which Miss Drexler presided.

Board members attending were: Miss Lucille Coulter, vice president; Miss Lucy Parrish, treasurer; Harold Briggs, secretary; Miss Margaret Barber, program chairman; and Miss Hazel Towery, publicity chairman.

Building representatives at the meeting included James Swartz, Mitchell; Miss Nelle Hart, Melton; Miss Lucinda Huck, Central Junior high school; Mrs. Marie Klein, Maryville; Miss Anna Probst, Coolidge; Mrs. Anna McIntyre, Logan; Miss Jane Elkins, Frohardt; Ed Bolz, Niedringhaus; Art Menendez, Lake; Mrs. Danny Kaegel, Marshall; and Mrs. Ruth Densford, Nameoki.

Schermer Hardware Move Continues This Week

Ben Schermer Hardware Store is still in the process of moving next door to larger quarters from its present location at 1920 Delmar avenue and the job is to be completed in the next two or three weeks.

Ted Berger, manager, said the store will be in continuous operation while the move is under way and a grand opening for the new location in the near future in the new and larger quarters.

Structural Work Begun At Concordia Lutheran Addition

If passersby have noticed a similarity between the Concordia Lutheran Church at 23rd street and Grand avenue and the new combination parish house, educational building under construction adjacent to the church, they are correct.

Being erected at a cost of about \$200,000, the building is designed in the same American Gothic style as is the church proper. Rev. Arvin Twietmeyer, pastor of the church, said architect William Filippo of Alton was instructed to follow the general design of the church building in his drawings, and "has done a remarkable job. Within 10 years one won't be able to see that the new building is an addition."

Improvements To Church
The church itself is to be sandblasted and touchpainted before the expansion project is completed, and interior renovation of the rooms on its lower

level already is underway. Total cost of the new construction and remodeling is estimated at \$220,000.

The parish hall-educational building is constructed of stone, brick and steel, and liberal use of stained glass windows is evident, especially along the wall fronting on Grand avenue, which will be the location of the main entrance. The new building is also connected to the church proper near its chancel.

When completed the new structure will house most of the church's educational classrooms and provide a large indoor area for recreational activities. Rev. Twietmeyer said. Twenty-six classrooms are planned in the new building and on the lower level of the church proper.

Air-Conditioned Offices
On the ground floor of the new building will be located air-conditioned offices for the church secretary, pastor and vicar. The upper level, in addition to meeting and recreational space, will include a complete kitchenette, an area for meetings of the Waltham League and working space for members of the church's altar guild.

The huge timbers which form the gabled roof will be left exposed on the interior, and are also patterned after those in the church proper.

The estimated completion date has been set back to late November due to a recent strike of local laborers.

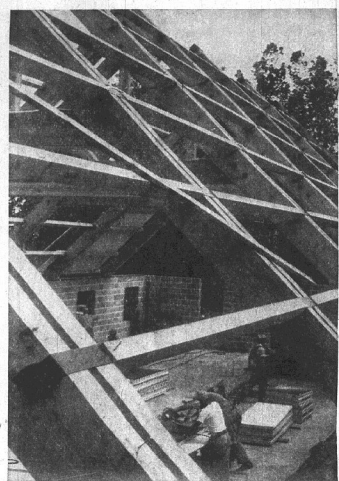

First Mitchell PTA Meeting This Evening

The first meeting of the new school term for the Mitchell PTA will be held this evening at 7:30 at the school, with George Slidham, president, conducting the meeting.

Introduction of teachers will be held, and the program for the year explained. Parents are being invited to attend. A discussion will be held on organizing a "teen town" for Mitchell.

Ticketed Tuesday

Elmer L. Nelson, 36, of 2133 Robert avenue, was issued an arrest ticket at 7:45 p.m. charging him with driving in the wrong direction on a one-way street in the 1800 block of Edison avenue.

WOODEN ROOF BEAMS from workmen erecting new combination parish hall-educational building adjacent to Concordia Lutheran Church, 23rd street and Grand avenue. The building, patterned in same American Gothic style as church proper, will provide space for church offices and majority of 26 Sunday school classrooms when completed in late November.

15,000 Students

SIU Expecting Record Enrollment This Year

Southern Illinois University, anticipating a record enrollment of more than 15,000 at its Southwestern and Carbondale campuses, expects to set all sorts of other new marks this fall — if the students can find a place to live.

The fall schedule at Carbondale gets underway this week when some 150 upperclassmen will be taking special training so

they can help offset incoming freshmen to campus life during New Student Week Sept. 18-23. Evening classes start Sept. 30, and day classes for students on both campuses open the next day.

Among the predictions:

At Carbondale, an enrollment of more than 10,000. Registrar Robert A. McGrath, noting last fall's 9028 total and this year's pre-registration mark running about 1200 above last year's, figures the 10,000 mark could be passed sometime during New Student Week.

At the Southwestern campus at Edwardsville, an enrollment of 5200 is forecast.

It is expected that some 3000 or more students on both campuses will study under Teacher Education Scholarships, and more than 4000 students will work part-time. The new University Center, the SIU television station and expansion of the physical plant will require the increase in workers.

The sticky problem of finding living accommodations for students is the task of the SIU Housing Office at Carbondale, which reports on-campus housing filled and off-campus housing being handled on a "hand-to-mouth" basis.

"For incoming freshmen, we have almost six applicants for every on-campus space available," says J. Albin Yolkie, coordinator of housing. "As far as off-campus housing goes, it's a matter of someone in the area calling in the availability of a place in the morning, and it being filled by that afternoon."

Yolkie estimates there will be 2533 students in temporary and permanent housing on campus, about 5000 off-campus, 1500 to 1800 commuters (some living as far away as 40 to 60 miles) and the remainder living at home in Carbondale.

Housing Being Built

He said that there are six small group housing units now under construction, five dormitories at Thompson Point and 44 apartments for married students which he hopes will be finished by September 1962. A new residential area for 1800 students is in the planning stage and construction should be started within the next year. All of these, Yolkie said, are being built from non-tax money—federal loans and bonds—and are self-liquidating.

At Carbondale, there will be only 10 more classrooms this fall compared to last year, and Registrar McGrath says the average class size will increase from about 27 to about 32. Southwestern officials say although they have no additional classroom space available, they are taking several measures to ease the pressure, including a new class schedule which adds one and one-half days to the evening schedule, the continuation of television classes, and the initiation of larger class sections—especially in freshman history and geography. To accomplish the latter, auditoriums and larger classrooms will be used with some classes capable of handling 120 to 150 students.

Record in August

Overdue Fine Payments Boost Parking Receipts

Increased by a police crackdown on unpaid fines, the parking meter and parking fine revenue received by the city totaled \$5169 for the month of August, or an average daily receipt of \$191 for each of the 27 meter enforced days.

From the meters alone, \$3881 was collected, second only to the month of May. During that month, which had one less day in which meter money was required for parking, \$3914 was paid into the meters.

A sizeable portion of the August receipts — \$1288 — was from payment of fines. Previous to August, highest monthly total collected from fines was \$299, that also in May. Collection of overdue charges accounts for the steep rise.

The August receipts bring to \$28,845 the total amount received from both meter and parking fine payments for the year. Of this amount \$26,128

came directly from the meters, and \$2707 from fines.

A breakdown of the daily average through last month shows August well over the rest of the year. Daily averages for the other months are: Jan., \$117; Feb., \$145; March, \$123; April, \$133; May, \$152; June, \$121, and July, \$125.

A breakdown of the total income from both sources, along with the total number of days during the month in which the mechanical devices were in operation, is as follows: January—

\$2787 in 25 days; February — \$3348 in 24 days; March — \$3173 in 27 days; April — \$3157 in 25 days; May \$3914 in 26 days; June — \$2953 in 26 days, and July — \$2924 in 25 days.

NAMEOKI PTA BOARD PLANS CHILDREN'S FILMS

The executive board of the Nameoki PTA held its first meeting of the 1961-62 school season Tuesday evening at the school on Poston road, with Don Kopp, president, in charge. A discussion was held on children attending PTA meetings, and movies will be shown to them in November, January and February in the cafeteria while the adults meet in the auditorium.

Kopp announced that magazine sales will start Sept. 16 and end Sept. 27. This project is for fifth and sixth grade students only. Plans also were made to hold a fish fry in October, with the date set tentatively for Oct. 5.

"Know Your Teacher" is the theme of the program for the first regular meeting Sept. 19, at which time the teachers will be introduced by Principal Russell Robbins. In addition to the regular room prize for the highest percentage of parents attending the meeting, the room winning will be given an ice cream treat. Members attending Tuesday's meeting were Mrs. Millie Schweneman, Roland Coleman, Gene Monahan, Maurice Steele, Mrs. Peggy Belcher, Carl Harrison, Mrs. Jennie Kline, Walter Volkmar, Mrs. Rose Young, Fred Rehagen, Mrs. Louise Anderson, Mrs. Carol Marks, Mrs. Twila McKinney, Mrs. Virginia Hamilton, Mrs. Jennie Jackson, Mrs. Wilma McKinney, Edward Lorton, Stanley Young, Mrs. Mable Gertsch, Mrs. Juanita Dalgoff, Mrs. Jane Jackson, Mrs. Betty Feurke and Mrs. Sue Chapman.

MRS. LANCASTER HOSTESS TO DEMOCRATIC WOMEN
Mrs. Julia Lancaster entertained the Democratic committee women in her home, 3801 Franklin avenue, Monday evening.

The business portion of the meeting was conducted by Mrs. Lorraine Isbrecht, president, and the county luncheon for October was discussed. An invitation to attend a luncheon in Highland Sept. 19 also was read and plans were made to attend.

Reports were given on the group's trip to Springfield on Aug. 17, when the ladies were guests of Gov. Kerner on Governor's Day at the state fair. Games were played, with prizes presented to Mrs. Virginia Cox, Mrs. Anita Ettingoff, Mrs. Grace Winklemier and Miss Catherine Colligan.

The hostess served a late dessert course to the prize winners and Mrs. Isbrecht, Mrs. Bernadine Hagnauer, Mrs. Mary Bos, Mrs. Olga Puhse, Mrs. Lois Jones, Mrs. Eunice Von Schmitt, Mrs. Ruth Cook.

Mrs. Jones invited the group to meet at her home, 4401 Kirkpatrick home, on Oct. 2.

PROHARDT PTA BOARD PLANS YEAR'S PROGRAM
The executive board of the Prohardt PTA met Tuesday evening at the school on Johnson road, with Homer Johnson, president, in charge of the meeting.

"Our Children Look to Us" is the theme of the program planned for the coming school term, and the September topic will be "Better Education."

At the first regular meeting Sept. 19 at 7:30 p.m., Mrs. Guy LaRue will speak on the remedial reading program and Principal Harry Marshall will introduce the teachers. The executive board will be hosts at the meeting.

Members attending the first board meeting were Johnson

Marshall, Joe Arico, Mrs. Doris Pearson, Mrs. Edith McGee, Mrs. Lois Haynes, Mrs. Norma Rains, Mrs. Dorothy Wallace, Mrs. Doloris Lyons, Mrs. Doris Orrick, Mrs. Mary Jesses, Mrs. Betty Vesias, Miss Gloria Cowan, Mrs. Lulu Milk, Mrs. Ann Frisley, Mr. and Mrs. Don Jolly, John Gage, Mrs. Jo Ann Kaler, Mrs. Margaret Pehri and Ralph Reeder.

NAMEOKI METHODIST WOMEN MEET AT CHURCH
The Women's Society of Christian Service of the Nameoki Methodist Church on Poston road met at the church Monday evening.

Quiet organ music by Miss Joyce West preceded the opening of the meeting and devotions and group singing was led by Mrs. Pat Baumberger, accompanied by Mrs. Ruth Hancock at the piano.

"Light of the World" was the theme of the evening's program, presented by Miss Morene Greshong and Mrs. Peggy Dillard. Miss Greshong, president, also conducted a brief business meeting and announced that a potluck birthday supper will be held Sept. 30 at 6:30 p.m. at the church.

The hostesses were Mrs. Mary Bailey and Mrs. Dorothy Wallace, and a late dessert course was served to Miss West, Mrs. Baumberger, Mrs. Hancock, Miss Greshong, Mrs. Dillard, Mrs. Pay Res, Mrs. Pat Metz, Mrs. Luan Briner, Mrs. Mildred Nancy, Mrs. William Kirschner, Mrs. Bess Causey, Mrs. Ann Stated, Mrs. Virginia Carroll, Miss Jane Elkins, Miss Reba Guenter, Mrs. Vivian Gulka and the evening's guest, Miss Carrie Cullison.

The next meeting will be held Oct. 2 at 7:30 p.m. at the church.

Eagles Auxiliary Sets Family Night

A regular monthly meeting of the Eagles Auxiliary took place Tuesday evening.

Mrs. Juanita Blevins, president, was in charge and a contribution was made to the Madison County Tuberculosis Sanatorium in Edwardsville for Christmas seals. Announcement was made of a district meeting to be held Sept. 24, and Mrs. Mary Brominski, ways and means chairman, reported on plans for a rummage sale Nov. 3 at the IOOF hall. The "family night" meeting of the Eagles and Auxiliary will be held Sept. 16.

After the business hour, Mrs. Blevins was honored by the group and presented with a gift, the occasion being her 25th wedding anniversary.

Mrs. Brominski received the award for the evening and refreshments were served by Mrs. Clarissa Berry and members of her committee to 25 members. The next regular meeting will be Sept. 26.

Thorngate Club Plans Guest Day

Mrs. Eugene Miller was hostess to the Thorngate Garden club at the YMCA Tuesday. Mrs. Charles Delp, president, was in charge of the business meeting and plans were made for the annual "guest day" Oct. 5 at the home of Mrs. Charles Gouth on Highway 66.

The hostess presented a lesson on making jewelry from corn, beans and various seeds. Title of the lesson was "Earrings from Seeds."

A dessert course was served by the hostess to Mrs. Delp, Mrs. Doris Smith, Mrs. Caroline Moser, Mrs. Guth, Mrs. Clara Schilling, Mrs. Mary Cochran, Mrs. Millie Moss, Mrs. Ida Hanfelder and two guests, Mrs. Lulu Mae Harris and Mrs. Charles Bauer.

Others present were Mesdames Jane Schwartz, Melba Grady, Pat Kent, Jo Chinn and Carol Gendron.

The next meeting will be held in the Chin home, 3041 Dale avenue.

LOCAL PASTOR

ATTENDING CONVENTION

Rev. R. Frank Branson, pastor of Grace Baptist Church, 2900 Edwards street, is in Hammond and Evansville, Ind., this week to attend the Indiana State Baptist Sunday School convention.

Rev. Branson will be one of the principal speakers at the meeting and will take part with others from various states in panel discussion. He will return in time to take charge of the regular morning and evening services at the church.

LOCAL WOMEN WILL ATTEND CONVENTION

Mrs. Augusta Lampe, president of Sacred Heart Church Altar Society, accompanied by Mrs. Irene Argelan and Mrs. Mildred Balfanz, will represent the local group at the Diocesan Society of Catholic Women meeting in Springfield, Ill., Saturday and Sunday.

Mrs. Argelan is vice-president of the Alton Diocese of the DCCW.

Madison To Host Other Junior Service Clubs

Plans to host other clubs were made as monthly meetings of the Madison Junior Service club were resumed Tuesday evening at the First Presbyterian Church in Madison.

Officers who were installed during the installation held in May were in charge of the meeting. Mrs. Evelyn Blattner, president, opened the meeting, after which a report of a short meeting held at the Madison public library in July was read. The Madison club is to be the federation hostess club to the Junior Service clubs of Sparta, Edwardsville, Venice, Collinsville and Granite City Saturday at 1 p.m. at the Rose Bowl restaurant.

A new 50-star flag has been ordered for Madison high school. It will be donated to the school by the Madison Junior Service club.

A report was given on profits received from the "Follies" held in April by the members and a number of residents of Madison, Venice and Granite City. Club officers for the 1961-62 season: Mrs. Blattner, first vice-president, Mrs. Julia Voloski, second vice-president, Miss Christine Papayanchik, third vice-president, Mrs. Doris Patterson, treasurer, Mrs. Helen Daley, corresponding secretary, Mrs. Janet Lentz, recording secretary, Mrs. Albert Mikolajczuk, board members: Mrs. Clara Vaughn, Mrs. Hilda Gravelle and Miss Marian Chizek; historical chairman, Loreta Ship; and federation delegate, Mrs. DeLoise Rhoads.

The hostesses, Mrs. Daley, Mrs. Helen Franich, Mrs. Ruth Nichols and Mrs. Voloski, served a luncheon to approximately 25 members.

A social time was held, with games played and prizes awarded to Mrs. Marcela Obravovich, Mrs. Maxine Skinner, Mrs. Janet Lentz and Mrs. Blattner. The next meeting will be held Oct. 10 at the First Presbyterian Church, Madison.

Parents Resume Meetings At St. Mark's

The September meeting of the St. Mark's Parents and Friends Association of Venice was held Tuesday evening. Mrs. Mary Dixon, president, was in charge of the meeting and the Sisters were introduced to the group.

They are Sister Mary Bernard, Sister Mary Herman and Sister Mary Donald. The program for the year was discussed, and it was announced that the children's first Holy Communion will be Oct. 23.

Plans were discussed for a spaghetti supper to be held Oct. 22. Mrs. Agnes Shambro will be chairman, with Mrs. Catherine Sveda as co-chairman.

Room mothers for the year will be Mrs. Dorothy Billeury, first grade; Mrs. Mary Donat, second grade; Mrs. Paul Fields, third grade; Mrs. Louis Reidelberger, fourth grade; Mrs. Eva Maurer, fifth grade; Mrs. Josephine Buecker, sixth grade; Mrs. Valma Shambro, seventh grade; and Mrs. Hattie Munkin, eighth grade.

New members attending the meeting were Mrs. Yvonne Kitzel, Mrs. Delores Parker, Mrs. Barbara Hadley and Mrs. Dorothy Billeury.

A dessert luncheon was served to 40 members by the hostesses, Mesdames Mary Dixon, Mary Sveda, Eva Maurer, Pat Fields and Elora Satturo.

The October meeting will be Halloween masquerade and the hostesses will be Mesdames Barbara Mueller, Florence Duer, Lil Duer, Pat Billeury and Dorothy Billeury.

SACRED HEART MOTHER'S CLUB PLANS EVENTS

Sacred Heart Mother's Club met last night with President Mrs. Marge Saltich presiding at the first meeting of the new school year. Room mothers were selected and new projects were discussed.

There will be a rummage sale in October, a fall festival on Nov. 11, and the annual tea for the nuns on Oct. 22. The award of the evening was won by Mrs. Ann Walsh. The meeting was closed with a prayer and refreshments were served.

PLAN UPWA MEETING

The executive board of the Mitchell United Presbyterian Women's Association met at the church Tuesday with Mrs. Shirley Shane, president, in charge. A regular meeting of the organization will be held Sept. 28 at the home of Mrs. Earl Leavell.

Husband Denies Deadly Weapon Assault Charge

William R. Horne, 35, who was charged Sunday with assault with a deadly weapon — a Lincoln knife, pleaded not guilty yesterday before Police Magistrate Andrew Gasparovic Jr.

Charges were filed against Horne following an argument with his 34-year-old wife, Mary, in their car over "domestic problems in which she suffered cuts to her head."

After Mrs. Horne, a local restaurant worker, was injured and her husband had driven to the 2600 block of Delmar avenue, she drove off in the car after he had alighted. Despite being an inexperienced driver, she managed to reach St. Elizabeth Hospital after going through several stop signs. Mrs. Horne was admitted to the hospital in critical condition. A hospital spokesman said that she was in fair condition yesterday.

Plant Police Get New Contract At GC Steel

A new one-year contract covering 15 employees in the company's blast furnace plant was agreed on by Granite City Steel Co. and Federal Labor Union 2504. Lyle F. Gulley, vice-president in charge of operations and Charles W. Hamilton, union business representative, announced today.

The contract provides for a wage increase of approximately 3.1% effective Oct. 1. The contract became effective Aug. 1.

SOCIETY

Moose Women Hear Talk By Reporter

Mrs. Earline Ruten, publicity chairman, held her chapter's 20th program last night at the meeting of the Women of the Moose 247 and the guest speaker Robert G. Hays, a member of the Press-Record news staff, addressed the group with a talk on "Publicity."

In keeping with the program the tables were decorated with newspapers and there were paper place mats.

Approximately 45 were present and prizes were won by Mrs. Virginia Adams and Mrs. Ruby Morgan.

The next meeting will take place Sept. 27. One new candidate, Mrs. Wanda Sabie, was accepted at last night's meeting.

Sorority Selects Mrs. Tritschsch

Mrs. Lucille Tritschsch has been selected by Epsilon Eta Chapter of Epsilon Sigma Alpha as a candidate in the "Miss Theta" contest to be held at the annual convention in November. She was named last night at the first fall meeting of the group in the home of Mrs. Joyce Willmore, 2600 East 27th street.

Mrs. Judy Hinterser, the newly elected president, was in charge and the new year books were distributed by Mrs. Phyllis Grimm. Plans were made for a number of coming events, including a hay ride to Grand Marais Park in East St. Louis Sept. 30, and a hat party in November.

Refreshments were served by the hostess after the meeting adjourned.

Pot Luck Supper For Sorority

A pot luck supper at the home of Mrs. Evelyn Arbeiter, 2216 Woodlawn avenue, highlighted the first fall meeting of the Theta Chapter of Beta Sigma Phi last night. The business discussion was directed by the president, Mrs. Virginia Johnson, and plans were formulated for the coming season. Thirteen members attended.

The next meeting will take place Sept. 27 in the home of Mrs. Dorothy Cox, 2323a Washington avenue.

100 Attend PTA Meeting Tuesday At Emerson School

The opening meeting of the Emerson school PTA took place Tuesday evening with Robert Rouland presiding.

The invocation was given by Rev. Truman Collins, pastor of St. Zion General Baptist Church, and Dale Rae, school principal, who was introduced by the program chairman, Mrs. Roger Fritz, presented the school faculty which includes two new teachers, Mrs. Jean Gunn and Robert Gurley.

The school program for the year was discussed by the principal who stressed the responsibility of the parents and the faculty to the students.

Committee chairmen gave their reports and plans were made for a rummage sale later in the month. Mrs. Fred Stith, ways and means chairman, will be in charge of the project.

Mrs. Arnold Ross, vice-president of the PTA and a Girl Scout organizer, told of the need for more leaders and asked for volunteers.

The attendance banner went to Jerry Johnson's fifth and sixth grade room, and refreshments were served by the faculty to approximately 100 members and guests.

Opening Meeting For Sorority

Theta Eta Chapter of Beta Sigma Phi opened the fall and winter season with a meeting last night. Mrs. Juanita Calva, 3021 Dale avenue, was the hostess and eleven members attended.

Officers and committee chairmen reported during the business session presided over by Mrs. Beatrice Broadbent, who announced plans for the season.

There was a discussion of the ticket sale for the coming dance to be held at the Big Top Bowl on Oct. 14, the proceeds to go to the Hope School for the Blind and Handicapped, and Miss Alice Vig announced her engagement and coming marriage to Zigmund Konecny of Madison, by presenting the chapter with a box of candy, a custom which the group has always observed.

The program was on "The Body Beautiful" was given by Miss Ruth Stoyanoff.

Refreshments were served to the members and the prize was awarded to Miss Alice Holsboer.

Mrs. Barnett Is Spokes At WSCS Meeting

The September meeting of the Women's Society of Christian Service of Nidringhaus Memorial Methodist Church was held in Wesley Hall of the church Tuesday evening.

Devotions were led by Mrs. Elizabeth Briggs after the opening hymn, and prayer by Mrs. Verne Willroth.

Mrs. Verne Barnett gave the monthly report, and Mrs. Patricia the past summer with Rev. Barnett who attended the World Convention of Young Adults of the YMCA. Both were local delegates.

Mrs. Elmer Frohardt, president, conducted the business meeting and plans were made for the all day meeting of the "country store" on Nov. 17 in Wesley Hall.

David West, a delegate to the Quadrennial meeting of the Methodist Student Movement at the University of Illinois, reported that 3100 students from many countries attended the meeting. The theme was "Covenant For New Creation."

A "hat party" was planned for the month at the church when fall hats will be sold. A tea will be held from two to nine o'clock the afternoon and evening.

The affair will be sponsored by the Miriam Circle who will model the hats.

The Dorcas Circle was the hostess group and refreshments were served to 37, including four guests, Mrs. Margaret Kendall, Mrs. H. W. Cramer, Miss Olga Christman and Karen Wheeler.

The serving committee was composed of Mesdames Woclie Lynn, Alice Cruse, Olga Tierney, Joyce Miller, Maria Ahlert, Mrs. Albertine Nina Watson and Gloria Lillibridge.

Eta Chapter Discusses Plans

Eta Chapter of the Phi Tau Omega sorority met last night at the Elk's Club.

Plans for the coming year were discussed by the group led by Mrs. Laveada Knobbe, president, and committees were appointed.

Among the events scheduled is a rummage sale in October. The chapter also has four new rushees this year, Mrs. Jimmie Palmer, Miss Dolores Crane, Mrs. Frances Hartman and Mrs. Valetta Dauber.

Prizes were won by Mrs. Debra Seibert and Mrs. Laura Boyd.

Advance Procedures On Disasters Discussed

A need for advance arrangements for future disaster relief was cited Tuesday during a monthly Red Cross chapter board meeting.

A mobile unit dispensing water, coffee and food was barred by authorities from close proximity to the Aug. 9 Nettle Co. explosion scene until 10:30 p.m., more than nine hours after the blast, it was reported. Civil Defense, Engineer Depot and Salvation Army units were admitted to the area, the discussion showed.

No action was taken and the topic is to be reviewed at a later board meeting. Costs approved totaled \$115, including \$111 for food.

Chairman Floyd Mitchell reported that hundreds of Red Cross disaster relief specialists and thousands of volunteers are aiding in sheltering Hurricane Carla, tornado and flood victims in Texas, Missouri and other states. Voluntary contributions will be accepted here but no special drive is to be held.

Red Bennington Recovering

Roy K. Bennington, 2856 Town street, local jeweler, is recovering at St. Elizabeth Hospital from a hernia operation which he underwent Tuesday.

PAST PRESIDENTS CLUB MEETS AT ROSE BOWL

A luncheon meeting of the Past Presidents Club of the Veterans of Foreign Wars Auxiliary will be held at the Rose Bowl Tuesday. The hostesses were Mrs. Helen Wardlaw and Mrs. Shirley Stanfill.

After the luncheon at noon, Mrs. J. Thomas conducted a brief business session. Games followed and awards were made to Mrs. Mary Breidenbach, Mrs. Lett Abel, Mrs. Clara Elliott and Mrs. Mary Ahlert.

Another meeting will be held at the Rose Bowl on Oct. 10, when the hostesses will be Mrs. Vera Schilling and Mrs. Elliott.

2 GC Men Honored For Shell Service Tonight

Two Granite City residents who between them have 40 years service with the Shell Oil Co. Wood River refinery will be among about 200 employees to be honored at a recognition dinner tonight at the Hotel Stratford in Alton.

R. K. Bush, 124 Big Four place, will complete 25 years of service with the firm in November and J. J. Jada, 2140 Lynch avenue, completed 15 years early this month. He is employed in the refinery's engineering field department and Bush in the alkylating department.

The dinner is for employees who observe 10, 15, 20, 25, 30 or 35-year anniversaries of service during the last five months of this year.

Pleads Innocent To 2 Accident Charges

Johnnie Milan, 39, of 2116 Iowa street, pleaded not guilty yesterday morning to charges of leaving the scene of an accident and careless driving filed by Lloyd Edwards, owner of the Millway service station, 20th and Iowa streets.

Milan, whose hearing has been set for Sept. 26, is charged with leaving the service station early Sunday morning after the auto he was driving struck a parked car on the lot and also damaged a gasoline pump. The auto owner, Elizabeth Baker, 34, of 2133 Benton street, was taken into custody and charged with drunkenness and illegal transportation of liquor. She was released on \$27 cash bail.

Unable To Locate

Granite City police received a report Tuesday about 3:50 p.m. that a man was missing some school children in the 1700 block of Cleveland blvd. Investigating officers dispatched immediately to the vicinity, were unable to locate any such man.

The next meeting will be Monday, when the new officers are to be installed by the retiring officers.

PICTURES, COSTUMES AT NAMEOKI UPWA MEETING

The first regular meeting of the Nameoki Upwa Presbytery, which is a part of the Presbyterian Women's Association was held Monday evening at the church, with Mrs. Alta Stewart, president, in charge.

Mrs. Stewart welcomed the members and guests, and devotions were given by two members of the Junior High Fellowship who showed slides of sym-

ENTERTAINING GUESTS

Mrs. and Mrs. A. C. Stoeve, 2720 State street, have set their house as a guest house for the evening's guests, Mrs. Hazel Bloodworth, Mrs. Harriet Bull, Mrs. Erma Tucker, Mrs. Peggy Mangin and Mrs. Wills Mae Mitchell, and the members above and Mrs. Louise Anderson, Mrs. Edith Arbogast, Mrs. Mary Bowman, Mrs. Janice Carr, Mrs. Ann Freeling, Mrs. Joan Kaseberg, Mrs. Lena Kaseberg and aunt, Miss Mollie Kohl, both of Quincy, Ill.

bolts of the church. The Fellowship had taken the slides of the Christian symbols found in their own church and then wrote a story to narrate them. Betty Pyle showed the slides and Betty Cook was narrator. Mrs. Beatrice Pyle gave the devotional prayer.

Missionary names of the day were read by Mrs. Twyla May, who offered prayer. She gave a resume of the National UPWA meeting held at Purdue University in June and July.

A discussion was held on the business portion of the same meeting. A record was played, donated by a foreign land, representing at the meeting.

A dedication of fellowship was held for the "Least Coin" project. This is an international project in which every member gives the least coin of her land for a special project.

World service chairman, Mrs. Violet Monahan, and fellowship chairmen, Edith Simpson, spoke briefly on plans for World Community Day, which is to be held Nov. 13.

A letter was read from the Christian Medical College in Yerevan, India, thanking the association for past gifts. It was announced that the fall District Presbytery will be held on two days, at the Alton First Presbyterian Church Oct. 10 at 9 a.m. and on Oct. 13 at the East St. Louis First Presbyterian Church.

Mrs. Stewart closed the meeting with prayer, and the evening's hostesses, Mrs. Joan Edwards and Mrs. Louise Thompson, served a late dessert course to the evening's guests.

Hazel Bloodworth, Mrs. Harriet Bull, Mrs. Erma Tucker, Mrs. Peggy Mangin and Mrs. Wills Mae Mitchell, and the members above and Mrs. Louise Anderson, Mrs. Edith Arbogast, Mrs. Mary Bowman, Mrs. Janice Carr, Mrs. Ann Freeling, Mrs. Joan Kaseberg, Mrs. Lena Kaseberg and aunt, Miss Mollie Kohl, both of Quincy, Ill.

EXECUTIVE BOARD MEETS

Mrs. Kenneth Rapp was hostess to the executive board of the Granite City Junior Service Club Monday evening in her home, 9 Terrace lane.

The meeting was conducted by Mrs. Oliver Jacobsmeyer, president, and reports were heard on an opera attended by the group this summer and a trip to a major industry in St. Louis. Mrs. Nadine Frith announced plans for a fish fry to be held tomorrow at the Belle Meade Village Shopping Center. A discussion was held on the federation luncheon to be held Saturday at the Rose Bowl, with the Madison club as hostess club.

Mrs. Marvin Fitzpatrick was named chairman of the " flea market" to be held on the parking lot of the Trust and Savings Bank Oct. 7.

A late dessert course was served by Mrs. Rapp to Mrs. Jacobsmeyer, Mrs. Frith, Mrs. Fitzpatrick, Mrs. Tom Burns, Miss Virginia Judd, Mrs. Paul Knecht, Miss Mary Greenlander, Mrs. Charles McConnell, Mrs. Paul Morris, Mrs. Ted Vrenick and Mrs. Steve Kovar.

The next regular board meeting will be held Sept. 18 at the Elk's club and the Oct. 9 board meeting at the home of Mrs. Vrenick, 1334 Cottage avenue.

MRS. SPICKETT HOSTESS TO NQ CLUB

Mrs. Leona Spickett entertained the NQ club Tuesday evening at her home, 3018 Nameoki road.

Laclede Steel Featured In Anniversary Display

Picture panels and display products currently are on display in the lobby of the First Granite City National Bank depicting the 50-year history of Laclede Steel Co. The display is the second in a "Salute to Industry" series and will be repeated for the remainder of this week.

Beginning Monday the third series, featuring the Granite City Engineer Dept., will be displayed in the bank lobby. Laclede Steel Co. had its beginning in 1911 in Madison when Thomas R. Akin developed scrap metal into usable items. The company grew, and in 1915 purchased the Akin steel mill located today. Company plants also are located at Memphis, Tampa, Erie, New Orleans, La., and Dallas and Beaumont, Tex.

Today's Laclede Steel is the Mississippi valley's major producer of construction steel for bridges, tubular wire and joists. William M. Akin, son of the founder, is the firm's current president. He also is general superintendent of plants, and W. A. Peters and L. A. Williams are assistant superintendents at Madison and Madison plants, respectively.

The executive board of the Stallings school PTA met Tuesday night at the home of Mrs. Verma Williams, in charge of the PTA. The group agreed to meet on Thursday of this month only, with a pot luck dinner at 6 p.m. The sixth grade room mothers will serve refreshments for the meeting. The executive board will meet on the second Thursday at 7:30 p.m. in the school gym, except in November when it will meet on the first Thursday. Ways and means chairman Mrs. Eunice Wilkerson, reported that tickets have been received for a television program on Nov. 16.

A discussion was held on ways and means to raise money for the Springfield trip made by sixth graders each year, and for water cooler for the school. Legislative chairman Michael Mullins reported he can make available to PTA members pamphlets on Illinois law.

The children will play in the kindergarten room under supervision while the PTA meetings are going on, and anyone having games for them to play is asked to bring them. Refreshments were served to Mullins, Charles Bringer, Mrs. Rose Marie Kabarek, Mrs. Dean, Mrs. Emma Reileke, Roger Bowler, Mrs. Harriet Bunselmeier, Mrs. Wilkerson, Mrs. Ruth Norton, Edna Edwards, Bina and Mrs. Jacob Getteman and Mrs. Evelyn Fingerling.

The ladies' auxiliary of the Long Lake fire department met Monday evening at the fire station. Vice-president Ethel Getteman presided over the meeting. The Ladies' auxiliary had another rummage sale to be held some time in October. The next meeting will be held Oct. 9 at 7:30 p.m. at the fire hall. Games were played, with prizes going to Madeline, Patricia, Yvonne, Ethel Getteman, Edna Barron, Frances Harper, Michael Mullins and guest, Miss Sally Getteman. Refreshments were served.

The Evening Star club met at the home of Mrs. Mildred Polach Tuesday night. Gifts were exchanged, and a luncheon was served to Mrs. Madeline Polach, Nellie Volp, Martha Polach, Regina Jackson, Betty Glowacki, Ruth Hammond, Maxine Polach and JoAnn Schaffman.

Boy Scout Troop 22 met Tuesday night with Scoutmaster Willard Hicks, assisted by Herb Polach at the Long Lake fire hall. Plans were made for swimming Sept. 22, and the fall camporee was appointed as a library.

The first meeting of CWP Group Six of the Central Church was held Tuesday evening at the church. The president, Mrs. Doris Edwards, conducted the business session, and a lesson entitled "Missionary Outreach" was given by Mrs. Joyce Wilmore.

Mrs. Donna Jordan was the hostess for September. Plans were made by a group to attend a CWP meeting in Edwardsville next Thursday.

Others present were Mrs. Elmer Gruen, Mrs. Kay Davidson, Miss Jackie Perish and Miss Laura Lott. The next meeting will be Oct. 10 in Mrs. Wilmore's home.

JUNIOR GIRLS MEET
 The September meeting of the Junior Girls unit of the Ladies' Auxiliary, Veterans of Foreign Wars Post 1009, held Tuesday at the hall, with Miss Mary Lou Phelps conducting the meeting. Twenty-one members were present and presented orders. The next meeting will be Oct. 10 at the hall.

Rotary Unites Men Of 123 Lands, Clubs Told

"Rotary clubs in 123 countries are united in the same difficult times of international tensions in an endeavor to promote understanding, good will and peace throughout the world," Granite City and Madison Rotarians were told this week by Raymond Hanson of Macomb, district Rotarian, who addressed the club Tuesday night.

Governor of District 646, which includes 46 Illinois Rotary clubs, Hanson is athletic director of Western Illinois University. He addressed the Granite City club Tuesday night, and the Madison club Wednesday, being welcomed by Presidents Edward Meng and Fred Schmidt.

In addition to the activities of more than 11,000 clubs within their own communities to promote the objective of international understanding, Rotary international has awarded grants of more than \$3,750,000 in the past 14 years through its program of student fellowships, Hanson said.

The program enables outstanding college graduates to study for a year in nations other than their own, as Rotary ambassador of good will. Since 1947, fellowships totaling 1454

Battery Theft Thwarted At Lake, GC Man Jailed

Sheriff's deputies jailed a Granite City man Monday night allegedly caught at 7:15 in an attempt to steal a battery from a crane near Horseshoe Lake. Arrested and still in custody is James A. Dennis, who gave his address as 1821 State street. Deputies found Dennis and three companions being held at gunpoint in a car by Crawford L. Wendler, Collinsville, who said he told the battery.

Wendler signed the warrant charging Dennis with petty larceny. Dennis declined to enter a plea before Justice of the Peace Earl L. Vuagniaux at Edwardsville and bond was set at \$1000. The crane is owned by Dutko-Sauzy, 1421 Second street, Madison.

Mrs. Dee Dennis, who was in the group, was later admitted to St. Elizabeth Hospital, suffering from convulsions. Hospital personnel said she was in "poor" condition but declined to give further information and the cause of Mrs. Dennis' convulsions was not determined.

She was discharged Tuesday, having given as her address Rural Route One.

Mary Harolan. The next meeting will be held on Sept. 26 at 8 p.m.

RETURN FROM MICHIGAN
 Mr. and Mrs. Aram Darakjian, 614 Nidringhaus avenue, and their children, Janet, Nina and Margie Darakjian, returned Tuesday after a visit to Detroit, Mich.

Installation of Water Lines May Resume Soon

Construction of the new Mitchell Public Water district lines is expected to resume as soon as weather permits and Contractor E. A. Weinel posts an additional \$3000 performance bond. A continuation of an injunction suit hearing Monday in Edwardsville circuit court, filed by Chouteau township Highway Commissioners to prevent the stop construction, resulted in their own settlement. Work was halted last week because of the suit. William Beatty, attorney for the defendant, said he thought the case could start at once while Donald Hight, township attorney, told the Press-Record it could not resume until the contractor had posted the additional bond. However, both agreed that the bond would be met and that construction could resume shortly.

Contractor Weinel had been installing the water mains while operating under a \$475,000 performance bond originally, according to Beatty. The project is to cost \$430,000 and provide water to residents of the unit, incorporated Mitchell area.

Foster, in filing his suit, charged that the defendant was damaging roads in his township in the process of laying pipe along them and that he had "no adequate remedy at law." Hence the suit.

The East St. Louis & Interurban Water Co. will supply water to the district with the water lines to be connected to the new Pontoon Beach water line in the process of installing township lines is virtually complete.

Mrs. Margaret Tatossian, 1637 Poplar street, who had accompanied the Darakjian family to Detroit, also returned from her visit. She was present at the dance and picnic given by the federation.

MARYVILLE PTA BOARD HOLDS FIRST MEETING

Mrs. Twyla Marcus, president of the Maryville PTA, conducted her first meeting of the executive board for the 1961-62 school term Tuesday evening at the school on Maryville road.

Mrs. Lois Adams reported that the savings stamp program will start Sept. 13, and Mrs. Ruth Knapp, ways and means chairman, reported that plans are being made for a fall festival and fish fry in October.

The president announced that she and Owen Humphrey, school principal, will attend the 20th annual District 29 conference in Edwardsville Sept. 29 from 2:30 to 9:30 p.m.

The state PTA president will be principal speaker at this meeting.

Mrs. Marcus also announced that Mrs. Pat Baumberger will be membership chairman, Mrs. Virgil Bolton and Mrs. Ralph Peters, co-chairmen of hospitality, and Dwight Taylor, program chairman.

Taylor announced that the speaker for the first regular meeting will be Humphrey, who will explain the grading system and general policies of the school and introduce the teachers. The meeting will be held at 7:30 p.m. Sept. 19 at the school.

Other board members present were Mrs. Ann Ganz, Mrs. Ralph Beam, Mrs. Nadine Papp, Mrs. Reid Martin, Mrs. Charles Arbetter, Mrs. Jewel Stone, Mrs. Pat Welch and Richard Barnett. The executive board will serve as hosts at the next meeting.

MISS ALDRIDGE IS HONORED AT SHOWER

Miss Sarah Aldridge, who will become the bride of Daniel Boyd on Oct. 7, was honored with a miscellaneous shower Sunday afternoon at the Kirkpatrick-Homes recreation hall by Mrs. Frances Cherry, Mrs. Alice Miller and Mrs. Mary Hiett.

White candles in crystal holders were arranged around a miniature bride and groom to form the table centerpiece, and wedding bells were used for room decorations.

Games were played, and an afternoon dessert course was served to the following guests, Mrs. Ralph Richter, Mrs. Earl Noblin, Mrs. Walden, Miss Juliet at the GCHS cafeteria. The supper was attended by approximately 50 people.

Sidney Strothede, president, conducted the business meeting and plans were made for sale of the season's concert tickets.

Each season ticket will be good for the four concerts and will admit two adults to each performance. The tickets will go on sale at \$2.50, and Strothede pointed out the savings from the door price of 75 cents for a single admittance.

Louis Meek, band director, announced that the dates for this year's concerts will be Dec. 17, Jan. 18, Feb. 22 and April 5. He

WHEELERS GIVEN SURPRISE PARTY

Mr. and Mrs. Melvin Wheeler were surprised with a party Sunday afternoon at their home, 3445 Pontoon road, by members of their carpool. The Wheelers are moving from the area later this fall.

Games were played, and a picnic style dinner was served.

The guests were Mr. and Mrs. Paul Strain, Mr. and Mrs. Deon Smith and children, Edlie and Jimmy, Mr. and Mrs. John Martras and children, John, Judy and Jane, Mr. and Mrs. John Schaffner, Mr. and Mrs. Harold Wheeler, Bob Peterson and Staff Sgt. and Mrs. Aubrey Mitchener and daughter, Renee, of Belleville.

Charged After Accident

Thomas E. White, 23, Granite City Engineer Depot, was charged at 5:50 p.m. Monday with following too closely. The charge was filed by police following an accident in the 1400 block of Niedringhaus avenue where he collided with rear of an auto driven by Robert Hedges, 33, of 3201 Rodger avenue. Both were headed west on Niedringhaus and Hedges had stopped in a traffic lane when the accident occurred. There were no injuries.

Tuberculosis, until 1909, was the chief cause of death in the United States, according to the Encyclopedia Britannica.

70 Appearances By GCHS Band, Parents Are Told

Plans for 1961-62 were discussed as the Granite City high school Band Parents' Association held a pot luck supper followed by a meeting Tuesday evening at the GCHS cafeteria. The supper was attended by approximately 50 people.

Sidney Strothede, president, conducted the business meeting and plans were made for sale of the season's concert tickets.

Each season ticket will be good for the four concerts and will admit two adults to each performance. The tickets will go on sale at \$2.50, and Strothede pointed out the savings from the door price of 75 cents for a single admittance.

Louis Meek, band director, announced that the dates for this year's concerts will be Dec. 17, Jan. 18, Feb. 22 and April 5. He

Careless Charged

A University City, Mo., driver, David M. McLaughlin, 24, was charged with careless driving Monday at 4:40 p.m. following an accident at 21st street and Ohio avenue. Northbound on 21st street, McLaughlin struck the right rear side of an eastbound taxicab, on Ohio avenue, driven by George French, 26, of 2113 Delmar avenue. Police reported considerable damage to both vehicles but no injuries.

Arrested Monday

Arrested Monday in the 3400 block of Iowa street and charged with speeding was Billy J. Grady, 35, of 3025 Warren avenue, who posted his operator's license as bond.

Parking Charges

Don J. Nemeth, Troy, and Wayne Schoofield, 1670 Second street, Madison, were issued arrest tickets by Granite City police at 12:15 a. m. Tuesday for being parked in an alleyway.

Rev., Mrs. Lynn To Observe 50th Anniversary

Rev. and Mrs. A. Ralph Lynn of Moro, Ill., formerly of this city, will observe their 50th wedding anniversary at an "at home" to be given by their children at the home of a son, Dr. Robert B. Lynn and Mrs. Lynn, 415 East 12th street, Alton, on Sunday from 3 to 5 o'clock and at 7 p.m.

Among other members of the family present will be their sons and daughters-in-law, Rev. and Mrs. E. Russell Lynn of Kansas City, Kans., and Mr. and Mrs. Andrew R. Lynn of Covina, Calif.

Approximately 500 people are expected at the reception and tables appointments and flowers will be carried out in gold and yellow in keeping with the 50th anniversary theme.

Rev. and Mrs. Lynn were married July 12, 1911, in Osborn, O., which is now Fairborn. They are both 71 years of age and in addition to the three sons, their family consists of nine grandchildren and two great-grandchildren.

Before retiring from the ministry in December 1957, Rev. Lynn was pastor of First United Presbyterian Church in this city for 22 years. He has just con-

cluded six months as interim prior to that time served as a pastor at the Elm Street Presbyterian Church in Alton and system.

'Know Your City' Is Goal For League of Women Voters

A group of Granite City women who are determined to learn more about local government, the provisional League of Women Voters, met Monday evening to discuss and begin organization of committees on which members will be asked to serve.

So far the local group lists 40 members but hopes to number 60 or more eventually, according to Mrs. Emily Senefelt, president. Twenty-six women attended the meeting held in Wesley Hall of the Niedringhaus Methodist Church.

The organization's aims are based on awareness that for democracy to operate as it was meant to, accurate and non-partisan information about government at all levels must be constantly available to the voters.

After assembling information through observation, interviewing and study of official publications, the next step is to share the information through the printed word. It was noted out.

Know Your City

First major project of the provisional League here—and which is required before the group receives permanent status—is a "know your city" operation. It will be a booklet summarizing the group's appraisal of Granite City.

Segments will include history, governmental system, finances, public health and sanitation, public welfare, transportation, education, recreation, housing, planning and zoning and political organizations.

The group will operate through various committees, which will meet at times selected by the members, and hold a general meeting on the second Monday of the month at least nine months a year. All meetings will be open to the public at all times.

Government Unavoidable

A film lecture on "Your Vote Is the Key to Good Government" was presented by Mrs. Nina Marshman and demonstrated how government can not be avoided.

"Even at the breakfast table the milk is guaranteed to be pure by a board of health and the coffee, from Brazil, is an example of world trade," Mrs. Marshman narrated.

"The bus the children ride to school is tax-supported and you may drive downtown on a street newly-resurfaced by the city," she said. "Your driver's license was issued by the state and a driver's check will show social security and income taxes taken out by the government."

With models built by boys 14 years old and younger on display, the speakers told the Optimists youngsters can learn valuable lessons about flight theory, engineering and design from model building.

Three models built by Roger MacZuraz were displayed, including a scale flying model of a world war I Polish fighter PZL-1 which won third place in recent national competition.

A partially-constructed craft being built by MacZuraz' younger brother, Terry, was shown so members could study the finer points of model construction, and a "shooting starter" built by Dennis Meyer also was displayed.

Guests present were Harold Rush, Kenneth Sweet, and Rev. Charles Mulrone of St. Joseph's Catholic Church. Sgt. Clifford Yarrington of the Dept. of Prospective member, also was present, along with 22 members.

Next meeting for the group is set for Sept. 25 at Cline's restaurant. Program plans for that meeting are indefinite.

SINCERE FRIENDSHIP

I would like to take this opportunity to publicly thank the people of the Quad-Cities, who have so warmly received me into their midst. Many people have indeed, gone "the second mile" in an effort to make me feel a part of this great community. The process of acclimating and assimilating oneself into a new community is made much easier with the friendship and sincerity which is so apparent in the Quad-Cities.

TO EACH HER OWN "PRINCESS"

The ladies of the Quad-Cities seem to have taken to the "Princess" telephone as though it were designed just for them. And in many ways, I guess it was.

For instance, it's little, light and easy to handle. It's styled to add a smart touch to any room in the house. And it lights up at night when you lift the receiver. This makes it especially attractive and practical as a night-phone next to the bed. The "Princess" is available in five beautiful colors to suit every lady's good taste.

To make the princesses in your home even happier, give them a Princess phone for their bedroom. To order, simply call the Telephone Business Office or ask any telephone service man.

QUAD-CITIES TELEPHONE "PIONEERS"
OBSERVE 50TH ANNIVERSARY

This year marks the 50th anniversary of the Telephone Pioneers of America. Back in 1911 the Pioneers' organization was founded. Telephone people with at least 21 years service with the Telephone Company were members then as they are now.

Today, membership in the association is just as exclusive. But the Pioneers have grown into a nationwide organization devoted to three things—loyalty to the telephone industry, devotion to community welfare and Christian responsibility.

At Southwestern Bell, one out of every five employees has 21 or more years in the telephone business, and is eligible to belong to the Pioneers. In addition, these years of experience mean that you can count on each member of the Pioneers to give you the best possible service—in a courteous, friendly manner.

Telephone Pioneers are proud of the years they've spent bringing you service. And they take pride, too, in their group's service to their community and to their fellow man—whether it's assisting the handicapped or devoting their time to worthwhile community projects.

The Pioneer's emblem is a triangle that symbolizes fellowship, loyalty and service. These goals are as worthy of pursuit for the next 50 years as they have been for the last half century. As one long-time Pioneer put it, "Pioneering has no limits, regardless of vocation, age or time. The freedom we have to express ourselves covers all phases of human endeavor... enables us to pioneer in all phases of life... to improve physically, mentally and spiritually."

One of the dictionary definitions for pioneering is, "to open a way for others to follow." Certainly the Telephone Pioneers have led the way with a spirit of service that has brought about constant improvement in your telephone service.

Call by number. It's twice as fast.

8 GC Teachers Hired; 2 Leaves of Absence

Hiring of eight teachers for the 1961-62 year was confirmed at Tuesday night's Granite City school board meeting.

The board also continued the leave of absence of Miss Claudine Coulter, formerly an assistant superintendent of the district, to the Granite City high school journal instructor, and two Logan grade school teachers.

Mrs. Marvel Clover, a cafeteria employee, was granted a leave of absence for 1961-62 due to illness.

Teachers employed included Donald G. Ruckriegel, 2633 East 27th street, master degree from University of Illinois and seven years' teaching experience, as Joseph Pukach as a special consultant employed by your district and assigned to Mr. Trimpe for his duties.

Others hired were Mrs. Margie Lee Benway, Edwardsville, 1961 bachelor degree at Illinois State Normal University, Maryville third grade; William Rich and Breakhoff, 1770a Madison avenue, 1960 bachelor degree at Elmhurst College, Wilson fifth grade; Ronald Lee Coleman, Wood River, 1961 bachelor degree at McKendree College, Nannod physical education; Miss Carrie Alice Cullison, Bellmont, Ill., 1960 bachelor degree at McKendree, Frohardt fourth grade; and Mrs. Marcia Kathryn Parish, 4208 Kirkpatrick Homes, 1959 bachelor degree at University of Illinois, Washington kindergarten.

Grand Jury Indicts 2 Teenage Killers

Murder indictments were returned Tuesday by the recalled May term Madison county circuit court grand jury for confessed killers George Ronald York, 18, and James Douglas Latham, 15, the pair of AWOL soldiers who last June murdered seven persons, including two in this county.

Two separate indictments were returned naming both youths, one for the murder of Martin Drenowac, 69, during a robbery of his service station on Bypass 66 and the other for fatally shooting Albert E. Reed, 36, of Litchfield, who stopped to aid them near Venice when they pretended car trouble.

Both have been found legally sane and are awaiting trial in Kansas Monday for killing a railroad worker near Wallace, Kans.

Other indictments involving area defendants were returned for Ruby Thomas, Venice, arson; Johnnie Burt, West Madison and Richard Myers, Venice, burglary, burglary. All the above are to be arraigned tomorrow.

Circuit Judge Joseph J. Barr presided over the court and no true bills returned involved Mattie Louise Williams, assault with a deadly weapon and Grover Dennis, Eagle Park, assault with a deadly weapon.

GC Schools To Share Cost of County Guidance Consultant

Participation in employment of a county guidance consultant was approved Tuesday night by the Granite City school board. Joseph Pukach has been employed for the position and will work under County Supt. Wilbur R. L. Trimpe, sharing his time between the county's school systems.

The district, largest in Madison county, is to pay \$4500 of the salary and costs. However, \$3000 of this amount will be reimbursed by the state.

In a letter to Supt. Harold M. Kaiser, Robert H. Zeller, guidance consultant on the staff of State Supt. George T. Wilkins, gave the following explanation:

"Your district has been granted \$3000 supplementary appropriation for the employment of Joseph Pukach as a special consultant employed by your district and assigned to Mr. Trimpe for his duties.

"Alton Community Unit No. 11 will assume payment of Mr. Pukach's salary until Jan. 31, 1962, at which time it is understood that your district will assume payment of the salary, including a local grant of \$1500 by your district, to be paid in equal installments through June 30, 1962."

A detailed breakdown of the financing is expected to be received from the county office but, in general, Alton and Granite City will divide the salary. Dr. Kaiser said, other participating districts are to contribute to meet expenses of the program.

The superintendent said Pukach will serve as a consultant to principals and guidance counselors to aid in expanding and improving the school guidance program throughout the county.

New Program

Describing it as a "frontier service," Dr. Kaiser said its permanence will depend on an evaluation of its effectiveness at the close of the current year. Board members asked that Pukach submit a report to the local district next spring.

The service marks an additional expansion of the county superintendent's staff. A psychologist who divides his time between the districts was employed a year ago.

Zeller also informed the Granite City district that it "had" other Rhodensis districts. For two years Rev. Sine was appointed as a missionary to Rhodensis in 1950 and was assigned as superintendent of schools in Moko district, later serving in the same capacity in other Rhodensis districts.

He also supervised much of the construction of new educational, residential and church buildings at Nyamaze.

Infant Baptized

Juan Roberto, infant son of Mr. and Mrs. Roy R. Bracemotes, 504 Kirkpatrick Homes, was baptized this week at Sacred Heart Catholic Church. The sponsors were Mr. and Mrs. John Bracemotes, paternal grandparents.

DAV Fund Drive To Start Next Week

Flowers made of paper will appear in the laps of many Quad-Cityans next week as the annual Forget-Me-Not drive for disabled American veterans gets under way.

Commander Arthur Polite, of DAV Chapter 53, said all funds collected here will be used for service and welfare work in the community.

Disabled veterans prepare the flowers each year. They are given to those who contribute any amount from a penny upwards. About 10 workers will dispense the flowers in the downtown and Bellefonte shopping areas.

The drive will be conducted Sept. 18 to 23 on a national as well as local basis by DAV members.

174-POUND SAILFISH landed by local angler Marvin Boyer, 1561 Rodger avenue, eight miles off coast at Acapulco, Mexico, during his vacation. It required only 20 minutes for Boyer to land the 11-foot specimen, his first deep-sea catch. Aboard the motor launch when the catch was made were two other local — but unsuccessful anglers, Denny Boyer and Marion Bartosiak.

BASS—AND MORE BASS—averaging about three pounds each and caught in a two-hour period during a fishing trip to Bull Shoals Lake in Arkansas, are responsible for happy smiles on faces of local anglers George Gregus (left) and Andrew Fryntko (right), who flank resort owner Bill Gill.

The FORUM

URGES COUNTRY TO RETURN TO GOD

To the Editor:

I deplore the lack of religious conviction and faith that has made us a mighty nation. The forces of Satan and the forces of God are joined as never before in one titanic battle. Today as never before there is a single individual being so influential and powerful for good or evil.

Incredible as it may sound many people even here in Granite do not know the basic reason of their existence, namely to know God, to love him (God) and to obey him and to be with him for all eternity. This is the Divine Plan formulated from all eternity and is the only way when only He existed.

Now we are on all sides the wings of human debauchery for man cannot remain equal to an animal; he must rise above and degenerate below this position. Is it any wonder that our present day dilemma is so fraught with diabolism?

Is it any wonder then that the "pinks" are so numerous in America today even in our state department and patriotism is considered a sham.

READER ASKS OFFICIALS TO HALT CHILD'S PLAY

To the Editor:

Board of Aldermen and Citizens of Granite City:

Stop the iron hand before it is too late.

In thinking back to just a few years ago when the mayor of our city was a young man, I am sure you are an active part in sports with our young people. Is this the same man? What a change!

What an influence on the young people of today. To me he acts like a man without a heart or a soul.

Mayor, what are you thinking about? Don't you know that the people of Granite City elected Mr. Warfield to be superintendent of streets? Why are you trying to take over his job? You couldn't be over our streets if elected, you wouldn't know how to play and act like a man. If this is a personal feeling you have toward Mr. Warfield, remember that you are only one little individual in Granite City, and we as citizens are not in the least interested in your little personal feelings, but we are greatly interested in our streets because it is our tax money that pays for them. Remember you were elected to be mayor not king.

Mayor, when you made the statement to the news reports of our Granite City paper, let him rot, are you the same man that taught our children the American way of life. Please stop and think, this is not only playing a black man's game, but it is giving our entire city a black eye.

To the board of aldermen: Are you going to sit by and let us lose our freedom? I don't think you will. I believe you respect the rights of the people who elect you in office too much to do this. The mayor said he was using the SIU, as his guide, if this be true, you aldermen should pitch the SIU out the window. Don't let the SIU be a smoke screen for the mayor to hide behind.

URGES CITIZEN ACTION IN CITY DISPUTE

To the Editor:

This letter is directed especially to the Press-Record and the Granite City paper, recommending this paper for printing the letter written by Alderman Mrs. Gabrielle Bettine, which letter is action of Mayor Warfield was not read to the council at the last meeting. This letter explains fully what is taking place in the operation of our city and sure anyone who reads it cannot help but feel how important it is that steps be taken by our elected aldermen to stop it now.

Mr. Warfield was elected by the people to be our street superintendent and he is one man who has done a wonderful job, always courteous and hard working, answering requests even though it takes time to get to them. He is a most capable person. If his authority is taken from him by the Mayor, who has no such authority, then we can expect other men in our city government to also be by-passed and so on until all power rests in one person's hands—the mayor!

How can Mr. Warfield be expected to do an efficient job and supervise his work properly when such a disgraceful thing is going on—when a man who does not have the authority given by orders to the men working under Mr. Warfield, advising them to disregard him?

This is similar to that happening in foreign countries, as we all know. I agree with Mrs. Bettine that it is high time for the people of Granite City to wake up and realize what is taking place and try to stop it by contacting your alderman, reminding him that he is your elected representative and requesting him to stand up for what is right—Remember that another election is coming up in the future.

CALLS ATTENTION TO VOTE IN LAST CITY ELECTION

To the Editor:

After reading the front page of the Press-Record dated Sept. 5, 1961, I bowed my head in shame, to think that the chief executive of our city had lowered the dignity of the office of Mayor of our city. I was greatly humiliated in reading the statement made to the report of the Granite City Press-Record by the mayor regarding the superintendent of streets. I am very sorry for the words "Just let him sit at the garage and rot," especially that this should be said about one of the most important officials of our city and one who has done such a wonderful job since he has been in office. Just a few years ago we were listed as an All America City. Does the mayor know that in order to be an All America City we must all live as true Americans.

Has all of this come about because our superintendent of streets did not support and vote for Les Davis for mayor? If this is the reason it might be Mr. Davis to check on the vote for Les Davis for mayor received in the last election, he will find that Mr. Warfield was not the only one who did not vote for him. There was almost 10,000 voters who felt the same way as our superintendent of streets.

Mr. Davis, if by chance you think through your actions that you are building a gallow for your street superintendent on, I would advise you to take your Bible and read in the Book of Esther Chapters Three through Eight. Haman thought he was building a gallow for David, but the one to hang on the gallow was the one to hang on the gallow. The scripture reads: "Haman they have hanged by the neck, and they hanged the king's son." Be careful what you do.

To you as council members: If it time for you to take action and stop this dictator. Let David know that we still live in the land of the free and the home of the brave.

An All American,
ROBERT LINDSEY,

EX-ALDERMAN CHARGES MAYOR'S AUTHORITY

To the Editor:

I cannot say I am surprised at the action of Mayor Davis. I served a few years as alderman under his administration and I know he is lucky not to have Clyde Powell and a few of the old timers on his council. Where does he get the power to take over the duties of the superintendent of streets?

Bill Warfield was elected by a big majority of votes, and he has served for 100%.

The mayor had better think back a little at the election returns. He received over 4,000 votes cast against Davis in his last election. A lot more than he received, and I think that figure has increased a lot since then. I don't think Bill Warfield has lost any friends over not doing his job right. He has served the people well. I am surprised at the attitude of some of the street department men. But, of course, it is compulsory.

The mayor has not the power to rule. He is only the moderator. The council has the power and they should back Warfield 100%.

I think we should have more like Mrs. Bettine on the council. Of course, she is shut up by the "boas" once in a while and not allowed to bring out her points.

As long as I served on the council, I have never been anything as rotten as this administration (and things got pretty bad sometime).

Bill Warfield has a perfect right to vote and work for whom he pleases.

This is not "Russia" or some other dominating country. This is the good old U.S.A. and we all hope it will remain free to speak as you please.

Let's all see our alderman and try to get this bad situation corrected.

The suggestion was to paint red stripes on the post box for marking the route for loading of carriers' mail satchel carts. The stripes have been placed on the floor, as pictured, and are credited with improving safety as well as speeding the dispatching of mail. Hand trucks, hampers, roller carts and

government things don't seem to harmonize as they did before.

THANKED ONE-SIDE PARKING PLAN LOST

To the Editor:

I feel we property owners and taxpayers who would have been directly affected by the alternate one-side parking on certain streets, which was so favored by Alderman Charles Meyer and others, should higher commendation, especially Mayor Davis, whose vote killed the proposal.

Personally, I feel that a man with Alderman Meyer's attitude should resign from the committee chairmanship — in fact, I don't believe one whose reasoning is such should serve in any capacity.

Persons owning property pay taxes; most of them work hard and try to have decent homes. It is difficult enough now to have access to your homes from the street because of the cars etc., parked there and mostly by people who pay no taxes.

Why not pass a few ordinances governing continuous parking in streets where garages are available and trucks loaded with lumber using streets as a parking lot in residential areas.

You expect the taxpaying property owners to keep up the city's streets, sewers, schools, etc., and then deprive them of the right to drive up in front of their own homes with groceries, their families, or if ill, they'd have to walk across the street in order to get into a car or on foot. Have you ever thought that many people are older, ill and not able to walk across the streets? When you have as many as eight cars at a four-way flat and all being parked on the street, I believe anyone can readily get the point which I'm trying to bring the council.

SIU Team Analyzes City Accounting System

(This is the 26th in a series of articles based on a reorganizational study of city government in Granite City by Southern Illinois University.)

The bookkeeping system of the city of Granite City analyzed by the SIU team of experts shows that accounting records are kept on a cash basis double entry system. However, the report points out, "There is no logical order to funds and activities or uniform detail of expenditures and revenues such as recommended by the National Committee on Governmental Accounting in their 'A Standard Classification of Municipal Accounts.'"

Method Of Apportioning

"In Granite City, a system has been adopted of apportioning all revenue to the various funds. Revenues to each fund are made up of one or more of the following items:

- "A portion of the general corporate tax levy.
- "A special purpose tax levy.
- "A specific non-tax revenue."

"A portion of general non-tax distribute revenues."

In the 1960-61 fiscal year, the general corporate tax revenues were split among the funds with the general fund as revenues to those funds—general government, 11.77%; police, 41.79%; interest and judgment, 3.40%; street and alley, 31.17%; pumping station, 50%; dog catching, 94%; inspection department, 3.28%; contingent fund, 1.55% and city hall, 3.5%.

"Specific tax levies becoming direct revenues of funds include street lighting, garbage collection, library, fire protection, police pension, firemen pension, working cash, retirement, water, child defense, sewer maintenance and street lighting. The general non-tax revenues of the city are divided into direct and distribute revenues. The direct revenues include those dedicated to the street and alley fund, such as vehicle license and

3 of Farrell Family Still Hospitalized

Three members of a Granite City family of six injured in a head-on, two-car collision near Kingdom City, Mo., last Aug. 26 remain in serious condition at Missouri hospitals, it was learned this week from relatives here.

Stanley Farrell, 39, underwent surgery this week at the Callaway County Memorial Hospital in Fulton, Mo., for setting fractures to both legs. His wife, Wanda, 31, who is at the Jefferson City Memorial Hospital, also is considered serious with head and chest injuries.

The third member of the family still in the hospital is two-year-old Philip, who also suffered fractures to both legs and is a patient at University Hospital, Columbia.

The other children, eight-year-old Stanley Jr. and Linda, 13, and Alice, 11, have been released and are staying with relatives here.

Members of the family said hospitalized Farrells are being visited regularly by relatives, neighbors and friends, many of whom are aiding in caring for the injured and the youngsters.

Farrell, a bricklayer at Granite City Steel Co., and his family were returning home from a vacation camping trip in the Ozarks when the accident occurred.

Inflation Is Greatest Tax, Lovin Tells Club

William Lovin, supervisor of employment and training at the Granite City Steel Co., told Granite City Kiwanis Club members Monday that inflation is the cruelest tax the American public is forced to pay.

Speaking at the regular weekly meeting at the local Elks Club, Lovin said inflation hits those who can least afford to pay its price — those persons on fixed or constantly low incomes.

Twenty-two members attended the meeting, at which Lovin spoke on "The Third Phase of Selling America." He discussed the evils of inflation, the causes of inflation, and steps necessary to remedy the situation as it exists now.

Lovin said inflation not only can price U.S. goods out of the market, but also is likely to change from "creeping" to "galloping" inflation if no checked soon. He said Americans have too much money to spend on too few goods, and that wages are increased faster than productivity. Government spending, he added, is also a major cause of inflation.

Greater productivity from the worker to overcome the wage-production differential is essential to solving the problem, Lovin said. He told the audience government spending without

levying direct taxes must be stopped.

Harold F. Karandjoff presided over the meeting, and William Herman, chairman of the pro-

gram committee, introduced the speaker.

Plans were made for the club's peanut sale Sept. 22-23, with proceeds going into funds for shopping center areas.

underprivileged children and for boys' and girls' work. The sale will be conducted in both the downtown and Belleme Village shopping center areas.

August Locks Traffic Second High To Record July Totals

Monthly traffic through the Chain of Rocks Locks 27 showed a slight decrease in tonnage, total vessels, and lockages for the month of August compared to July's record figures. However, the tonnage figure jumped above the two-million mark for the fifth straight month. The tonnage kept ahead of last year's eight-month totals.

A report from the district Corps of Engineers office in St. Louis showed that last month freight traveling through the canal and locks totaled 2,375,298 tons. The tonnage figure is second high for the year with July's total of 2,418,945 taking first place honors.

Added to the total tonnage for the first seven months of this year, the eight-month total tonnage figure is 15,789,859 as compared to 14,947,210 for the same period in 1960.

The number of vessels using the locks last month placed second this year. Vessels totaled 4085 as compared to 4096 in July; while there were 946 lockages last month as compared to a record 1003 the month before.

There were 845 lockages in August of last year.

Once again the traffic upstream was heavier than that going down, 1,345,293 tons to 1,027,705 tons. Of the total freight listed for August in the Corps of Engineers report 2,375,298 tons were of a commercial nature, and 275 were in government tows.

A breakdown of tonnage figures by product for the month of August follows:

Petroleum products—up 441,805, down 184,700; grain — up 13,800, down 639,580; coal — up 436,450, down none; cement, sand & gravel—up 10,400, down 1200; sulphur — up 34,450, down none; miscellaneous commodities — up 284,038, down 108,250; iron & steel products — up 31,300, down 84,300; and chemicals — up 53,350, down 9600.

Significant among the commercial boat classification was the recording of the year's only two passenger boats of a commercial nature to pass through the locks; they were two old stern-wheelers headed upstream for what is supposed to be their last cruise. Other commercial boats using the locking facilities included 706 towboats, 2748 barges, 53 U. S. contractor vessels, and 483 private recreational boats.

U. S. Government traffic included four towboats, 65 barges, two construction boats, and 22 patrol boats. There were no small government or commercial crafts passing through the locks last month.

Building Permits Total \$22,450 In GC To Date

Home repairs and alterations comprised most of the 19 Granite City building permits issued so far this month at the city hall. They accounted for 10 permits and \$12,440 of the total, \$22,450.

Building Inspector Earl Bloomquist and City Clerk A. L. Stevens issued them to Lynn E. Hill, for a two-room addition at 2235 Ohio avenue estimated to cost \$2500; Robert Conway, \$2300 for a one-room addition at 3103 Wayne street.

Lee McClew, \$1250 for aluminum siding and eaves at 2441 Edwards street; Robert Gregory, \$1800 for siding and porch alterations at 2714 East 24th street; James Wieton, \$1150 for aluminum siding at 2337 Grand avenue; Mike Murgich, \$1500 for a porch and general repairs at 1436 Grand avenue.

Repairs And Remodeling

Jack Gubny, \$700 for a porch and remodeling at 2701 Grand avenue; LaRue Sanasarian, \$600 for a porch, patio and walks at 1801 Spruce street; S. S. Schultz, \$300 for repairs and to replace a roof at 2028 Benton street; and Tracey Padgett, \$100 for repairs to a porch at 2827 Marshall avenue.

Five garages and carports estimated to cost a total of \$2860 also were authorized.

Permits went to Carl R. Roquem, \$800 for a garage at 1801 St. Clair avenue; Waldon Sherlock, \$600, at 2608 Proves avenue; George Martin, \$500, at 4139 Melrose avenue; Wesley Grote, \$460, at 2701 Denver street; and Steve Gargano, \$500 for a carport at 2432 Center street.

Commercial Permits

Commercial permits were issued to Michael Skolim, \$3000 for a new front at a confectionery at 2546 Grand avenue; Franklin-Union Furniture Co., \$650 for an electric sign at a parking lot at 1821 Delmar avenue; and Pur-Gas Co. Inc., \$1500 to install a trailer at 2245 Adams street to provide sleeping quarters for personnel.

Another trailer will be installed at 2412 Ohio avenue by Clarence McCoy, costing \$2000.

ELECTRIC CLOTHES DRYERS DON'T!

Why be a "basket case" on washday? Put an end to hauling and hanging wet clothes with an electric clothes dryer. Electric drying is flameless and clean. Dries clothes so much fluffier than old-fashioned line drying.

Having an electric clothes dryer is like having sun every washday of the year. It even brightens your disposition to know clothes will be sweet smelling and dry regardless of the weather outside. Buy your electric dryer now and take home an electric blanket as a gift.

MARSHALL PTA CHARMEN NAMED

The executive board of the Marshall school Parent-Teacher Association met Tuesday evening in 1949 by a score of 103-0, gaining 504 yards rushing and 367 yards passing.

Wymont beat Colorado State in 1949 by a score of 103-0, gaining 504 yards rushing and 367 yards passing.

Chairmen were appointed by the board. They are: budget and finance, Jim Hasty; publicity, Mrs. Kathleen Tadlock; safety, Paul Meyers; hospitality, Mrs. Jean Hasty; program, George Moore; and membership, Gene Doyle.

Other board members are Mrs. Lissie Dorch, treasurer, and Mrs. Jon Mullen, historian. Plans were made to purchase raincoats for the safety patrol boys.

The regular PTA meeting will be held on Monday at the school. The program will be "A Visit to the Teachers," with Mrs. Mary Hopkins, principal, introducing the teachers. The executive board will serve refreshments.

GUESTS FROM MISSOURI Mr. and Mrs. James Dwyer and children, Vickie, Jimmy and Danny, 2830 Edgewood avenue, had as guests Sunday Mr. and Mrs. Rex Ard and children, Billy, Linda, David, Ricky, Bobby and Tommy, Mr. and Mrs. Bill East, Ernie Fowitt and daughter, Honnie, of Salem, Mo., and Mrs. Norma Martin and child of Houston, Mo.

Landolt, eye physician, first used "optometry" as a word to describe use of the optometer to measure or refract the eye.

Selected For Play

Al Stevens III, eight, son of Mr. and Mrs. A. L. Stevens Jr., 2437 State street, is one of three children selected to appear in the play, "Rip Van Winkle," to be given by the George Williams Players of St. Louis Saturday evening and Sunday afternoon at the YMAA on Union Blvd. Miss Irma Tucker is directing the play. He auditioned in July and has been studying dramatics for four years in University City.
